Welcome to year five of Major Arena Soccer League 3, and the second season since the combination of MASL 3 and the Premier Arena Soccer League prior to the 2024-25 season.

A total of 13 teams are back from the 2024-25 season, with some new faces, old faces, and new faces in old places making up the 20-team league. In total, MASL 2, MASL 3 and MASL, W, the foundation of the North American's premier pro

indoor soccer pyramid, the 2025-26 season will feature 70 teams in three different countries. Including the top of the pyramid – the Major Arena Soccer League – no less than 78 teams will be playing under the MASL banner this winter.

Returning are the league champions – the RGV Barracudas out of Brownsville, Texas – who ended the three-year title run of Northern Virginia FC.

New teams this season in the Atlantic Division include Cumberland Valley SC, the Maryland Storm (who will play where the DMV Gunners played for the last two seasons) and Delaware City FC who will play out of the state's capital Wilmington.

All four teams in the East – the Roc City Boom who played RGV in the championship game – along with Buffalo, Cleveland and Youngstown are all back this year. New to the Great Lakes North Division this year are the Muskegon Risers, but they are far from new to the MASL. They have for the last

eight seasons fielded a team in MASL 2, and are stepping down a level in 2025-26. Also back in the pyramid are Cincinnati Swerve while Detroit Waza Flo and Indiana United both return.

The five-team South Division will feature four teams returning from last season including the OKC Certified Lions, who will play in the brand-new 4,500 seat OG&E Coliseum in downtown Oklahoma City this winter. Also back in 2025-26: RGV, the Wichita Selection and Springfield Demize. New is The Bold Dream FC based in Austin and Deportivo Shaolin.

Each MASL 3 team plays a 10-game regular season schedule, with a national playoffs to conclude the year.

**Buffalo Gunners 7**

Saturday, January 31

Kenan Center, Lockport, NY

>> **GAME RECAP:** After giving up 43 goals in two road losses in Cleveland, Buffalo stepped up its defensive play big time to record their second win of the season. No doubt that former MASL standout defender Daniel Chamale, who played six seasons with the MASL Milwaukee Wave, helped anchor a better back line as he dressed for the first time in 2025-26 for the Gunners in this one. Ali Sawish got the game winner with just 24 seconds to play, with the pretty assist to goaltender Connor Russel whose own play got him the win in goal.
