ROCHESTER COALITION

SAINTS HOCKEY CLUB — ROCO / RYH — GRIZZLIES HOCKEY CLUB

Multiple Pathways. Every Stage of Development.

Every player is on a different path. Together, the three Coalition charters hold **all the paths a player can take** — from a first skate at mites to competing for a national championship at 18U.

PATHWAY ↓ STAGE →	STAGE 1 — FOUNDATION **Mites** 8U and under — where it starts	STAGE 2 — DEVELOPMENT **Youth Hockey** 9U to 13U — skills and habits	STAGE 3 — COMPETITIVE **Midget Hockey** 14U to 18U — Tournament Bound
Saints Hockey Club SAINTS TIER I CHARTER	**A strong first foundation** Coalition mite programs feed the Saints, so players start inside the same development model they will grow up in.	**Tier I, 9U to 13U** **Player development first.** A unique Tier I model that has grown stronger over two years, led by Mitch Major.	**On to midgets — and beyond** Saints players advance into Coalition midget hockey and on to Bishop Kearney Selects — two moved on after year one, to Boys Selects and Girls Selects.
Rochester Youth Hockey — ROCO ROCO / RYH TIER I CHARTER	**ROCO Mite Program** Headed by Megan Scott, working in tandem with the Grizzly mite program to feed the whole Coalition umbrella.	**Tier I youth pathway** A Tier I route through the youth years under the same Coalition development philosophy, led by Hockey Director Matt Garver.	**Tier I midgets** Very strong midget teams contending for state tournaments — including winning the **Tier I National Championship at 18U**.
Rochester Grizzlies GRIZZLIES TIER II CHARTER	**Grizzly Mite Program** Run and operated by Kelly Collins, working in tandem with the Coalition mite program — the entry point for new families.	**Tier II youth pathway** A second, full pathway through the youth years — a different path, with the same foundation and the same goal.	**Tier II midgets** Very strong midget teams contending for state tournaments — including winning the **Tier II National Championship at 18U**.

How to read this chart

Read across for one player's journey. Read down for the choices at any one stage. Three charters working together means Tournament Bound teams at all levels — and no player has to leave Rochester to find their path.

Development support at every stage

An extensive partnership with **The Academy**, run by Greg Collins, supports day-to-day player development for the Saints and the Coalition as a whole.

Matt Garver — Hockey Director, Rochester Coalition and Saints • **Mitch Major** — Director of Coach and Player Development, Saints Hockey Club • **Mark Mobus** — Saints Operations Manager
