## NEWSLETTER

hello  
FALL

Wishing you all a great  
Fall Break weekend!

**My player's game jersey  
has not arrived. What  
does my player wear for  
their game?**

**For those players who played  
on teams last year, use last  
year's game jerseys.**

**For all new players, players  
will use practice jerseys with  
temporary jersey numbers on  
the back. I will coordinate  
with all of you this week and  
make sure each player has a  
practice jersey.**

## Team Webpages

Check out your player's team page. This is where you will find team and individual stats throughout the season. If you would like me to add your player's picture to the team page, please email me a picture.

## HELMETS

All players and coaches must wear helmets at ALL times when on the ice. Parents, please let your players know that they cannot unbuckle or take off their helmet when on the ice. Helmets can be removed when practice is over and players are OFF the ice. Also, we strongly encourage parents to regularly check the screws and snaps on their player's helmet and tighten screws so that they don't lose hardware during a practice/game.

### Become a billet host for a Provo Predators Junior Player

The Predators Juniors team are in search of host families for billeted players (both short and long term). Most players come from other states or countries, and the program provides a housing subsidy to host families.

## INTERESTED IN SCOREKEEPING YOUR PLAYER'S HOME GAMES?

We encourage all parent to try out scorekeeping! If you are attending your player's practice, this is a great time to practice using our scorekeeping console in the scoreboard. Email me if you would like one-on-one training and I would be happy to go over the console and the scoresheet with you.
