FROZEN FURY CLINIC

Five PREDATORS players took part in the LA Kings Frozen Fury Clinics this past Wednesday at the Vivent Arena: Breckin Hansen, Lorenzo Allen, Simon Browne, Mak Chaffin, Macy Frandsen. This was a unique opportunity to be instructed by LA Kings alumni.

Lorenzo Allen, 12U D2 Gallacher: "I learned a lot and if we have the chance to do this again, you should go. It definitely wasn't easy and I really like a good competition."

We had a successful FIRST week of practices! I hope that all your players are excited to get started. Please let me know if you or your players have any questions or concerns as we begin the season.

Did your player pick up a practice jersey this week? Email me if your player hasn't received one.

PREDATORS

If you have been wondering what those white marking are in the grass outside the rink, no need to wonder any longer . . .

Thanks for the idea
Jeff Salmon!

It is our THIRD RINK!!

We hope that this grass rink can be useful for coaches and players. Teams can use it to work on positioning, team systems (breakouts, defensive zone positioning, penalty kill and power play, etc.), and team building for dryland practices before or after ice practices. We encourage coaches to make use of it with their teams.

PREDATORS

PROVO PREDATORS

JUNIORS TEAM

The Predators are committed to making a difference and being a positive impact in Provo, this starts with the Predators Youth Hockey Program.

**Jared
Bussell**

"We are really excited to work with the youth. Part of what we are trying to do is help our team grow as not only hockey players but as men. I think that helping the youth program is a big part of that. We also want hockey to grow in Provo; with the skill and the knowledge that we have within our players and within our coaching staff, we really believe we can do that."

**Duncan
Chisolm**

"It is good to be out here with the younger kids and giving back to the community. They all come and support us and so it is good to help them out, get to know the kids, and get to know our fan base a little bit better. "

**Ethan
Rubin**

"I'm eighteen years old so I have some wisdom on these kids. They are a lot younger than me so I think I can use my expertise and teach them some new things and it just feels good to help them out, especially within the same organization."

**Connor
Homan**

"I played hockey when I was young because I had fun. If you aren't having fun out there, you aren't going to get better. I want these youth players to have fun on the ice and grow a love for hockey like I did."
