### THE FUNDAMENTALS OF FAIR PLAY

"It's not whether you win or lose...it's an old saying; but it really **does** have to do with how you play the game. That's what Fair Play is all about. And Petro-Canada's Play Ball Program gives youngsters the basis for playing good baseball and softball by stressing the fundamentals of Fair Play and, of course, good technique from the very start."

Hall of Famer  
Duke Snider

### PUT TOGETHER BY THE PROS

Hall of Famer Duke Snider, Former Major League Pitcher Claude Raymond, Buck Martinez, Jesse Barfield, Hubie Brooks, and Jimmy Williams are among the great names that have brought Play Ball to life. In turn, Petro-Canada dealers sponsor all kinds of teams — from those in community leagues right on up to the Triple A teams in Calgary, Edmonton, and Vancouver, and of course, the Blue Jays and Expos.

AND  
FAIR PLAY  
PROGRAM  
"IT'S  
HOW  
YOU  
PLAY  
THE  
GAME."

### TEACHING THE BASICS

Each year, over 40,000 kids get involved in Play Ball. Some receive team uniforms and equipment from Petro-Canada dealers. Others receive the Play Ball instructional video, watch the Skills Tips broadcast on TSN, or attend the Play Ball Super Clinics held nationwide. The Play Ball program eventually became so popular that Petro-Canada created "do-it-yourself" clinics so that coaches who couldn't reach Super Clinics could hold their own basic skills clinics in their communities.

### PLAY BALL IS FOR YOU

Take advantage of the program that brings the pros together for baseball and softball fun and Fair Play. To order any of the Play Ball materials, or to find out more about Play Ball, just ask your local dealer or call Petro-Canada Sports Central toll free:

### WAYNE FENLON - Mgr./D.H.

Wayne has done an excellent job of recruiting ball players for the 1988 version of the London Majors. The movement to youth will only have 6 players remaining from the 1986 team and most of them are only in their mid 20's. This team has all the earmarks of a winner and with Wayne's guidance and leadership, don't be surprised if there isn't champagne in the ole log cabin come mid September!

### RON ST. LOUIS - 3B/Coach

If there ever was a little Big Man on the London Majors, Ronnie is that man. In his 6th season with the club he has a .285 career batting average. What this doesn't show is the many, many times when a hit was needed, Ron came through, when a fly ball was needed to the outfield, Ron came through, when a ground ball was needed to move a runner, Ron came through. He's now passing this experience on to the other players as coach of the London Majors.

# BIRKS

## *Good Luck Majors!*

The management and staff of Birks Jewellers wish the London Majors all the best for a successful 1988 season.

### CHUCK WESTMAN - LF/CF/RF

This will be Chuck's 7th year as a Major, moving him into the veteran stages of his career. Chuck is one of the premier outfielders in the league with a strong accurate arm. He's one of the players that truly loves being at the ball park and playing the game. Being injured during last year's playoff was definitely frustrating. A healthy season and 50 hits as he had 2 years ago will help ease those memories.

### MIKE PATERSON - RHP

This is Mike's 6th season with the Majors. After a great year last year going 4 wins and 5 saves with a .368 ERA and a 31 k to only, I say only 3 walks ratio this was to be an even better year. Unfortunately, Mike is on crutches after tearing up his knee approximately 2 weeks before we are to open the season. We are definitely hopeful to have him back this summer for his sake and ours.

### IAN ANDERSON - RF/CF/LF

Ian is entering his 4th season with the Majors. It has been said that you can't steal 1st, well Ian has developed a definite ability to get to 1st. His career percentage is well over .400. Last year's playoffs saw Ian hit .333 while getting on 1st at a .565 average. One of the faster players in the league, Ian has developed his base running skills to take advantage of his speed.

## Most Valuable Player Awards

CONGRATULATIONS TO THE  
1987 WINNERS

**JON OWEN - RHP**

Jon is entering his 12th season with the Majors. One of the truly great pitchers to play in the Inter-County, Jon could move into 4th place in career wins and 5th place in career strike-outs this season. Jon's career ERA of .323 is exceptional when you consider the dramatic rise in averages since the aluminum bat. Another stat young pitchers can take a lesson from is his walks to strike out ratio, 452 k's to only 186 walks.

**MATT GOODING - LF/RF**

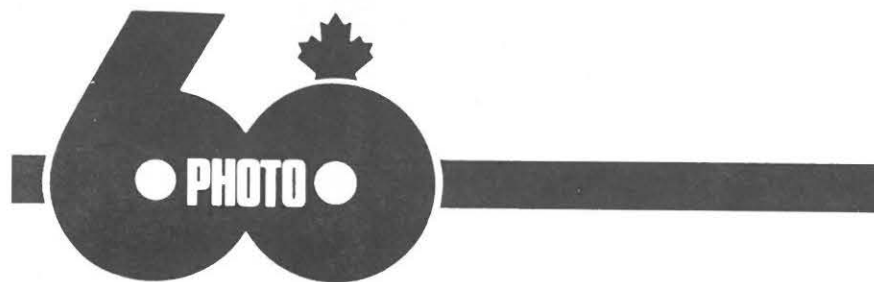

He's entering his 13th I-C season and 2nd with the Majors. Matt is one of the top 10 hitters of the modern era to play in this great league. He owns a .374 lifetime average after a .395 year last summer. Last year's playoffs saw him chip in with a .435 average. When Matt gets his 26th hit this summer, it will make him the fastest player to get 500 hits. His defensive skills are on the same level of excellence.

**KEN FROHWERK - 2B**

A native of Winnipeg, this is his second year with the Majors after coming over from the Royals. There are some people that have that natural quality to give a team a breath of fresh air and Ken is that person for the London Majors. Kenny is a steady offensive player and the best defensive second baseman in the league.

He hit .387, 3rd on the team, scored 12 runs, tying him for the team lead and was 4th in RBI's with 10. Steve is one of those versatile ball players that can catch and play other positions - an answer to a manager's prayers.

### KANE GODWIN - CAT

Kane is entering his 4th year with the Majors although there was a break for a few years while he competed in fastball and a couple of years for the London Royals. Kane's return last year was a definite success hitting .330 during the season and continuing in the play-offs with a .425 average and team leading 17 RBI's in 11 games.

After taking last summer off because of work commitments, this veteran ball player is coming back for his 9th season, but 1st in London. He's been on winning teams in both St. Thomas and Stratford and this experience and attitude will rub off on the Major's rookies and veterans alike.

### RON COULTHARD - RHP/SS/2B

Ron is a London South Jr. graduate. He is a team's most valuable type of player. Ron can pitch as atested by his team leading ERA - 3.65 and most wins with 5.; he can also play 2nd, SS or 3rd with the ability to hit; .315 average and can also steal a base, 3rd on the team with 10. One other quality is his eagerness to learn.

### GREG LONG - SS/RHP

A graduate from the South London Juniors, Greg will see plenty of action at short stop. He was a steady performer last year, hitting .289 with 2 HR's and 19 runs scored. Even though S/S is his preference, Greg could get the call to the mound on occasion, as he has plenty of experience there. Last year he was 4 and 2 with a .406 ERA.

### **RICH THOMPSON - CF**

Entering his first year with the Majors after a very successful summer with the Royals last year, Rich comes with high credentials. He lead the S.W.O.B. league in HR's with 8, 5th in RBI's with 25, 4th in runs scored with 30 to go along with his .313 average. He could turn out to be the fastest runner in the I.C. this summer which will make for some excitement on the base paths and in the outfield.

### **SCOTT STAFFORD - 3B**

This is another of the fine ball players that benefited by playing for Mr. Nichols, London Royals. Scotty lead the league in batting average, .408, hits - 49; second in on base average - .459, 3rd in slugging percentage. .617 and RBI's with 27. He is exceptional defensively at 3rd and a true team player. Don't talk to him about any stats or you will embarrass him. Sorry this time, Scotty.

This will be Ardie's 22nd season. The game that has always been fun is still fun. Being the strong competitor that he is, the long drought without a championship is hard to take. A hit here, a walk there; if he can contribute to that goal he would be one happy fellow come September.

# A PROUD PARTNER IN LONDON'S HISTORY

September 18, 1880 — something special happened in London. Sixteen local businessmen, led by Frederick Fitzgerald, founded Imperial Oil Co., Limited. As London has grown, so have we, and the years have brought many changes. Imperial Oil Limited and the Agents and Retailers of Esso Petroleum Canada remain committed to leadership in quality, products and service.

**Thanks, London**
