LONDON

The Corporation of the City of London
The Office of the Mayor
Al Gleeson
Mayor

It gives me great pleasure on behalf of the City of London to extend greetings and best wishes to each of you as you attend the events of the London Majors.

The growing interest and enthusiasm of all in sports and athletics is most heartening.

Best wishes for an exciting season.

Al Gleeson,
Mayor

FANS:

Kids, Ladies and Gentlemen, welcome to beautiful Labatt Park. Sit back, relax and enjoy the game and the excellent surroundings before you.

We, the London Majors, would like to take this opportunity to thank Mr. Bob Neskas and Mr. Ted Bogal for their leadership and direction in making this facility available to us.

But, folks, there is one man that has taken a personal interest in making this baseball field what it is, "The Best Baseball Diamond in our League" and undoubtedly one of the very best in all Canada. That man is Mr. Mike Regan. The Majors extend to you, Mike, a very special thank you.

The London Majors are very appreciative to a man, to the P.U.C., and the City of London and are proud to call Labatt Park home. Enjoy the game.

ROY McKAY: MANAGER

This is Roy's 11th year as Manager for the London Majors. Active in baseball both as an amateur and professional, he began his career as a bat boy in the '40s. From there he graduated to a pitcher in the '50 and Manager in the '60s and '70s. Roys keeps the troops relaxed with his quiet, calming personality.

MIKE RODRIGUES Coach

Hometown: Tijuana, Mexico Residence: London

As a youth Mike lived only a stone's throw away from Labatt Park, a geographical point-of-interest which probably played a part in his love for baseball. A pitcher by trade, Mike aids manager McKay in controlling the Majors pitching ranks.

BARRY WHITE Coach

Barry is new to the coaching ranks for the Majors, but not new to baseball in London. A solid sports background in baseball and hockey dating back to the early '50s when he chased bats for the Majors, Barry's knowledge and enthusiasm will be most welcome in 1984.

FERGIE JENKINS

Ht. 6'6" Wt. 210

Hometown: Chatham Residence: Bleinham

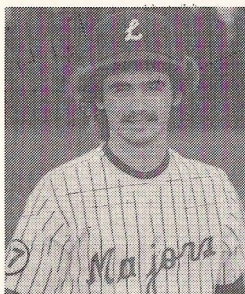

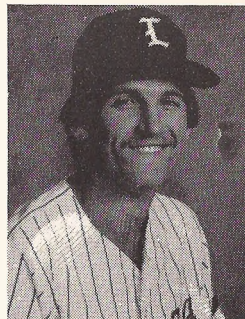

Without picking up a baseball again Fergie Jenkins has already secured himself a place in Baseball's Hall of Fame. The players and fans of the Intercounty League are very fortunate to have a player of his stature to learn from and applaud. Thanks Fergie!

JON OWEN

Ht. 6'2" Wt. 195

Hometown: Liverpool, Eng. Residence: London

The Majors' pitching leader in three important categories last season: wins 6; innings pitched 283; strikeouts 48. In addition to Jon's fastball, batters must also contend with his famed 'fork ball', a pitch taught to him by MacComb, Mississippi hurler Billy Wallace.

MIKE PATTERSON

Ht. 6' Wt. 175

Hometown: Dorchester, Ont. Residence: London

This hard throwing sidewinder is the Majors best two-way pitching asset. Not only one of the league's finest relief pitchers, Mike is also a solid starting pitcher. Second only to Jon Owen in innings pitched for the Majors last year, Mike is a durable individual who seems to improve as his workload increases.

STEVE GOMOLA

Ht. 6'2" Wt. 190

Hometown: Grand Rapids, Mich. Residence: London

Returning to the pitching staff for a second year, the Majors are looking for a good season from this Michigan native. Although registering only 2 decisions in '83 due to an injury, his fine ERA helped to keep London's cumulative total the lowest in the league.

TOM MATTINGLEY

Ht. 6'2" Wt. 190 B-R, T-R

Hometown: Sarnia Residence: London

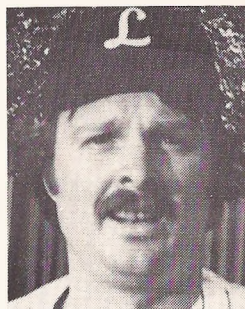

Supplying most of London's right-handed batting power, Tom Mattingley is a calm, collected performer. A high school teacher at Parkside Collegiate in St. Thomas, Tom enjoys his freedom to play ball during the summer.

DAVE BYERS

Ht. 6'3" Wt. 210 B-L, T-R

Hometown: Dorchester, Ont. Residence: London

1983's Inter-County All-star shortstop returns to the Majors again in '84. Dave's ability to combine average and power at the plate make him one of the greatest offensive threats in the London lineup. On the field, his fiery determination help lead the way for both rookies and veterans.

ALEX McKAY B-L, T-R

Ht. 6' Wt. 180

Hometown: Thamesford Residence: London

Al is returning for his 10th year as a London Major. he'll be taking a rare holiday in the summer this year as he and Melissa, the southern belle he swooned north after their university days, are tying the proverbial knot in mid-July. Best wishes to you both.

CHUCK WESTMAN

Ht. 6' Wt. 165 B-R, T-R

Hometown: Iona Station Residence: London

1984 will be Chuck's second year with the Majors. He is an adept outfielder whose speed should provide some base running excitement.

A regular fixture in the press box at Labatt Park, Don Plumb is a quick-thinking statistical marvel who follows most major sports with restrained enthusiasm. Don is also known throughout the league as the 'toughest' scorekeeper in Ontario who never plays favourites.

SHAWN BROGEN S-L, T-R

Ht. 6', Wt. 160

Hometown: Kalamazoo Residence: London

Shawn's baseball enthusiasm adds a refreshing touch to the Majors clubhouse. Shawn hopes to pursue his baseball ambitions through an American college next year.

JUST A LITTLE BOY

He stands at the plat with heart pounding fast.

The bases are loaded; the die has been cast.

Mom and Dad cannot help him; he stands all alone.

A hit at this moment would send the team home.

The ball meets the plate; he swings and he misses.

There's a groan from the crowd, with some boos and some hisses.

A thoughtless voice cries: 'Strike out the bum'.

Tears fill his eyes; the game's no longer fun.

So open your heart and give him a break.

For it's moments like this, a man you can make.

Keep this in mind when you hear someone forget.

He's just a little boy, and not a man yet.

Cleans immediate area around furnace including air-conds, coils and plenum if applicable.

Flue pipes and chimney are cleaned and safety checked for leaks and proper draft.

- SAVES ON FUEL COST
- CUTS REPAIR BILLS
- LESS CLEANING & DECORATING
- REDUCES FIRE HAZARDS
- HEALTHIER ATMOSPHERE

If the air you breathe was delivered in boxes.....you'd insist that it be fresh, clean and wholesome. If you found air being delivered dirty, stagnant or re-used, you'd refuse it. That is why you should investigate the air your cooling or heating system delivers.

In your home, most of the air that you and your family breathe - winter or summer - passes through the duct system again and again. As it does, it passes over germs, bacteria, dust and dirt that is trapped in these pipes and forces you to breathe foul, dirty air which sometimes causes irritation to your nose and throat, soils your carpets and drapes, creates fire hazards and costs you money.

Now...breathe hospital-clean air with Power-Vac Power Cleaning! Power-Vac Power Cleaning specialists, using ultra-modern equipment, clean your ducts and remove all dirt, dust and breeding places for germs and insects. Power-Vac restores clean, healthful air to your home, saves you money on fuel bills and reduces cleaning and decorating expenses. All dust and dirt is hauled away - no mess is left on your premises.

WE HAVE CLEANED HOMES IN YOUR COMMUNITY, IS YOURS CLEAN?

SCORING MADE EASY

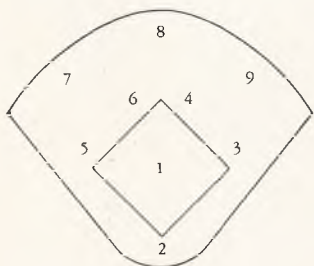

Baseball shorthand as used by baseball writers will render every game more enjoyable to baseball enthusiasts. All players are numbered and all plays are recorded by symbols.

Just number the players as follows:

Pitcher	1
Catcher	2
First Baseman	3
Second Baseman	4
Third Baseman	5
Shortstop	6
Left Fielder	7
Center Fielder	8
Right Fielder	9
Designated Hitter	DH

And use these simple symbols for plays:

Single	—
Double	==
Triple	===
Home Run	≡
Error	E
Foul Fly	F
Double Play	DP
Fielder's Choice	FC
Hit by Pitcher	HP
Wild Pitch	WP
Stolen Base	SB
Sacrifice Hit	SH
Sacrifice Fly	SF
Caught Stealing	CS
Passed Ball	PB
Balk	BK
Struck Out	K
Base on Balls	BB
Force Out	FO
Intentional Walk	IW

In the totals line on the scoring block, records the runs made in each inning in the top part of the slanting box, the hits in the lower part. Complete details are published in any Baseball Rule Book.

WAYNE FENLON

Wt. 6' Wt. ? B-L, T-R

Hometown: London, Ont. Residence: Ridgeway

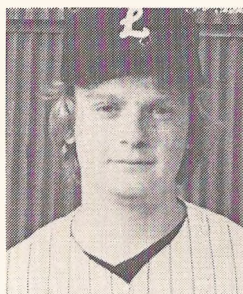

Many of London's pitching successes over the past 15 years can be directly attributed to catcher Wayne Fenlon, and it hasn't been any accident. Four managers over this time span have found #9 to be their choice behind the dish. Still an excellent hitter and great teacher, the Majors are extremely lucky to have 'THE DOG' on their side this year.

ARDEN EDDIE T-L, B-R

Ht. 6' Wt. 190

Hometown: Wallaceburg Residence: London

Working just as hard off the field as he does during a game, Arden is known as 'Steinbrenner' around the Majors' clubhouse. Dedication to the constant improvement of the London Majors has proven to be a very taxing but rewarding experience. Best of luck in '84 Arden, both on and off the field.

JOHN FARAGHER

Ht. 6' Wt. 180 T-L, B-R

Hometown: Uranium City Residence: London

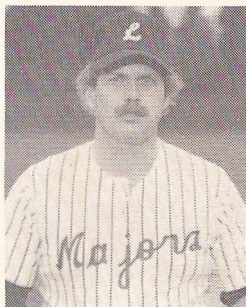

Hard-hitting Faragher is also a versatile fielder in this, his second season with the Majors. In addition to his outfield duties, he can also pitch and play first base. John also holds the London & District Baseball record for the longest home run; some 445 ft. on June 14, 1981 against Arva.

LARRY HAGGITT B-L, T-R

Ht. 6' Wt. 220

Hometown: Rip City Residence: Leamington

Larry is a solid left-handed hitter who rarely gets cheated on his swings when he 'digs in' at home plate. On the infield, Larry picks up the toughest throws with no apparent effort making everyone look good.

HOW TO MANAGE A BALL CLUB

1st: Get 15 men who will run through a brick wall for you.

2nd: Get 5 men who hate your guts.

3rd: Get 5 men who are undecided.

The trick is to keep the 5 men who hate your guts away from the 5 who are undecided.
