#### Stan Slack Manager

We're very happy to have Stan back another summer. His pleasant, easy going manner and dress keeps everyone loose and relaxed. With a team that finished last in hitting and, a pitching staff stricken with injuries and a number of inexperienced new comers, Stan lead the Majors to a solid third place finish!

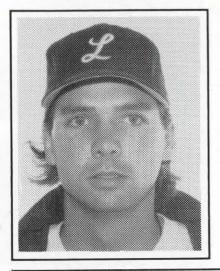

The Major came within one pitch of going to the finals. The horizon looks good with a number of talented young local prospects and a perfect working relationship with the London Tecumseh Juniors and their new manager, Scott Mawson. With most of the experienced players coming back, the return of Dave Nichol with his strong leadership qualities, and local young talent. Stan will have a few more moves available to him.

One thing for sure, every time those colourful knee socks and that sombrero comes through the door, we all know we're a better team.
