Welcome from the Camp Administrator

Dear Parents and Campers:

We would first like to welcome all the new campers and their families to the Milwaukee Wave Summer Camps. We also look forward to seeing all of those who have participated in past years.

Congratulations and thank you for your participation in the 2024 Milwaukee Wave Summer Soccer Camp program! All winter long, all of us at the Wave organization have worked extremely hard to ensure that the summer of 2024 is our best program yet. This handbook contains all of the necessary information that you and your child need in order to have an enjoyable summer camp experience.

As in the past, our highly-qualified staff will ensure that your camp experience with the Milwaukee Wave is not only a great learning experience, but also one filled with lasting memories and new friendships. Our goal is to offer all campers the best possible training methods that will assist you in becoming a better soccer player.

We have assembled our staff of past and present Wave players, local high quality youth coaches, and local college players. All of the staff will be teaching from our curriculum. Your camper will not at all times be under a Wave player's direction but they will have a great amount of contact with our players in the week.

Regardless of the camp you selected, we are committed to making your choice a great experience.

Again, thank you for your enrollment in the Milwaukee Wave Summer Soccer Camp program. We look forward to working with you this summer as your child learns lessons for soccer and for life.

Sincerely,

Shan Amini, *Executive Director of Soccer Operations MKE Wave // 414-915-6092*

Milwaukee Wave Summer Camps

Mini-Kickers Camp - Ages 4-6

This program is designed for 4, 5 & 6 year olds that are beginning their soccer experience for the first time. This camp is designed to teach coordination and techniques in an ultra-fun environment, keeping in mind the attention span of this age group. Passing, dribbling and shooting will be the three main techniques emphasized during this week-long camp.

Half-Day Camp - Ages 7-14

This program is designed according to a player's ability and the focus is on both the technical and tactical situations that a player experiences during match play. It is ideal for both the recreational and the intermediate player.

Full-Day Camp - Ages 7-14

This program is designed as an extension of the half-day program, but with much more emphasis on applying the technical and tactical skills in match play during the afternoon.

Team Camp - Ages 7-15

This program is designed to teach individual players their responsibilities, techniques and tactics within their own team's system of play. This camp lasts five days for teams consisting of 14 or more players. Days/times are mutually agreed upon between the Wave coaching staff and your team's coach and/or team manager. A Milwaukee Wave player and/or another highly qualified Wave Summer Camp coach will travel to your team's field and formulate the session based upon feedback and input from your team's coach/manager.

Goalkeeper Camp - Ages 8-15

This program is designed to teach both the field player and goalkeeper the finer points on goal scoring and goal saving. The competition between the two camps makes it fun and demanding.

All-Star Invitational Camp - Ages 7-15 (BY INVITATION ONLY)

This program is designed to reward the players who have distinguished themselves as the top performers during the Milwaukee Wave Summer Soccer Camps. This camp is unique in that it is by invitation only. At every Wave Summer Camp, all players are evaluated and rated by their individual staff coach.

Frequently Asked Questions

What about weather issues?

We live in an ever-changing climate where weather patterns often become unpredictable. Our inclement weather policy is that the camp will continue unless lightning occurs. All of our camps have shelters/tents in case of bad weather, but any parent can take their child out of camp for that day if they feel uncomfortable.

Please note: If camp is cancelled due to weather problems or any other natural disaster beyond the control of the Milwaukee Wave, no refunds will be issued and the camp will not be rescheduled.

What if my child is on medication?

If your child is on medication and needs help to administer it, you must inform your camp administrator during registration on the first day of camp. Please put all necessary instructions in written form and place medication in a plastic zip lock bag with your child's name on it and give it to the camp administrator upon arrival each day.

What are the lunch options?

If you have not already pre-purchased the Lunch with the Wave for the week, daily lunches must be paid for first thing in the morning and ordered through your camp administrator or your child may bring their own. All the staff and campers eat together during lunch whether a lunch is brought or purchased. Purchased lunch will consist of:

Rocky Rocco's Pizza (a slice of pizza and a bottled water per day) for the week.

What about the heat?

Some days are hotter than others, but be assured water breaks are taken more often on extra hot days. Water is constantly available all day and teams often take breaks in the shade to prevent overheating and dehydration.

What if my child misses a day?

No refunds are given if your child misses a day of camp. Refunds will be considered if a child misses an entire week due to medical reasons with a written note from a doctor.

Frequently Asked Questions (continued)

Can we get player autographs?
