

2019-2020 READING PROGRAM

PRESENTED BY: Wisconsin Vision
SEE. MORE. LIFE.

PROGRAM DETAILS

A month long reading program designed for schools to help increase literacy in students, and encourage them to read.

Schools set goals for the minutes students are required to read.

Each student who completes the requirement the school sets will receive a free Premier ticket offer to any MKE Wave 2019-2020 regular season home game (parent/guardian attendance is required, so at least one additional ticket does need to be purchased).

Each student who participates will receive a specially designed MKE Wave bookmark.

One person from the school will be the main contact person involved with the program.

Program materials and other information will be emailed to the coordinator after the school's enrollment form is received.

The school coordinator will distribute materials to all participating classes. Teachers will then distribute individually to students.

All coordinators will receive two free tickets to a designated game.

Parent/Guardian of student(s) will be responsible for recording/checking student totals.
