

FOR IMMEDIATE RELEASE

Cutting Edge Sports Management Partners with APE Fitness and Performance as Official Training Partner for Dream Bowl XIV

New York, NY/Dallas, TX – September 23, 2025 – Cutting Edge Sports Management (CESM) is thrilled to announce a dynamic new partnership with APE Fitness and Performance, who will serve as the Official Training Partner of Dream Bowl XIV. As part of this exciting collaboration, APE will deliver onsite training programs ahead of the Dream Bowl and direct the prestigious pro-style Dream Bowl Combine for all invited athletes.

Dream Bowl XIV, an annual all-star college football event known nationwide for showcasing the next generation of football talent, will reach new heights this year thanks to the expert performance coaching from APE. With a proven track record in athlete development, APE Fitness and Performance will offer comprehensive, elite-level training for Dream Bowl participants, maximizing their performance and preparation for the big game as well as professional opportunities to follow.

In addition to facilitating on-field readiness through pre-event training sessions, APE will organize and conduct the Dream Bowl Combine. This combine will feature NFL-style drills and standardized performance testing, giving invited players an invaluable platform to display their skills in front of attending professional scouts.

"We are proud to name APE Fitness and Performance as our Official Training Partner," said Neil Malvone, CEO/Founder of CESM. "In coordination with Matt Angeloni, our Director of Combine Preparation and Athlete Development, this partnership in athlete conditioning and player development adds tremendous value to the Dream Bowl experience, helping us deliver unparalleled opportunities for our participants."

Chris Brainard, CEO of APE Fitness and Performance, states: "Partnering with CESM for Dream Bowl XIV is a tremendous honor. We are committed to providing state-of-the-art training and combine events that will empower the athletes to perform at their absolute best to advance their football careers." Brainard adds, "We also are excited to connect our local flag football community to the halftime activities at Dream Bowl XIV."

This partnership represents a shared commitment to athlete success, superior event experiences, local community engagement, and the continued elevation of the Dream Bowl legacy.
