

Utah High School Hockey

Complaint Report

As a reminder, it is best to try and work out differences through your team trustee. If it is with another team, you or your trustee can submit the report. If you are not getting results, then your complaint may be submitted to the UHSH Disciplinary Committee Chairperson. If the differences are at the trustee organization level, please fill out the form with relevant information. The intent of this report is to gather data for the committee to review.
