OTHER WAYS TO GET INVOLVED

PLAYER INTERNSHIPS

Succeeding off the field is just as important as performing on the field. Many of the players have hopes of making it to the big leagues, and we hope that happens for all Hippos! It is also important to ensure the kids are able to balance ball with non-baseball work experience. Thus we're looking to partner with local businesses for player internships, 15-20 hrs a week.

Seeking opportunities in an array of areas including Project Management, Business Analysts and Operations, Engineering, Health fields and more. If your company is interested in participating in the program, please email Robert Weber (RWeber@HarborHippos.com) or visit the website and fill out a form under Community Involvement.

GROUP TICKETS

Planning a summer outing for your team, business, church, or group of friends? What better way to rally together than a HarborHippos outing! Reserved seating, and we can work with your group on tailored food packages and pre-game gathering space. Get ready for a fun-filled day of laughter, excitement and baseball! For groups of 10+, visit '[Group Outings](#)' under the Ticket section of the website or email info@harborhippos.com.
