

The Connecticut Whale are looking for production and videography interns for the 2020-2021 season who will assist the Social Media Marketing department in creating and editing video content for social and digital media.

This internship is unpaid and available for college/university credit.

Responsibilities

- Work closely with the social media manager and other interns to brainstorm and produce content
- Create and execute creative video projects for social media channels
- Capture high quality videos during games, practices, and other events
- Produce and edit highlights, game recaps, and more
- Assist the social media manager with clipping highlights during games
- Adhere to brand and social media guidelines of the Connecticut Whale

Qualifications

- Ability to collaborate with coworkers on team projects
- Excellent creativity and attention to detail
- Be able to work independently
- Finish projects in a timely manner
- Highly organized
- Great storytelling and communication skills
- Knowledge of production and social media trends

Requirements

- 1-2 years of video production and editing experience
- Advanced knowledge of DSLR cameras
- Basic knowledge of social media platforms, including YouTube and Twitch
- Proficiency in Adobe Premiere. Strong knowledge of Photoshop and After Effects
- Pursuing a degree or have a degree in film and TV, communications, or a related field
- Must have flexible hours including nights and weekends
- Must own your own equipment/gear or have access to your own equipment/gear
- Experience in the sports industry, specifically hockey, is a plus

Please submit video reels or a link if you have an online portfolio/online reel to jnikac@nwhlhq.com.
