

The Connecticut Whale are looking for graphic design interns for the 2020-2021 season who will assist the Social Media Marketing department with creating and editing digital content for social media platforms.

**This internship is unpaid and available for college/university credit.**

### **Responsibilities**

- Work closely with the social media manager and other interns to brainstorm and produce content
- Design and edit digital projects that drive engagement on social media, including motion graphics and pieces for video projects
- Adhere to brand and social media guidelines of the Connecticut Whale

### **Qualifications**

- Excellent eye for design and detail
- Ability to collaborate with coworkers on team projects
- Be able to work independently
- Finish projects in a timely manner
- Highly organized
- Great communication skills

### **Requirements**

- 1-2 years of graphic design experience
- Proficiency in Adobe Creative Suite. Must know Photoshop, Illustrator, and InDesign. After Effects knowledge is a plus.
- Pursuing a degree or have a degree in graphic design or a related field
- Must have flexible hours including nights and weekends
- Experience in the sports industry, specifically hockey, is a plus
