

Nanaimo Junior Timbermen Lacrosse Club Sponsorship

Dear Sir/ Madam,

This letter is to introduce you to the Nanaimo Junior Timbermen Lacrosse Club (which includes the Junior “A” and Junior “B” Tier 1 teams) and to invite you to learn about the 2021 sponsorship opportunities available for your company with this high-performance organization.

Who are the Nanaimo Junior Timbermen?

The Nanaimo Junior Timbermen Lacrosse Club develops lacrosse players aged 16 – 20 who participate in the BC Junior A and Tier 1 lacrosse leagues. There have been five variations of the leagues, but always a continuation of junior lacrosse being played since 1959. Our not-for-profit society operates the teams that compete within their respective leagues in BC. Our local Nanaimo Junior Timbermen Lacrosse Club consists of a board of directors and various team personnel - all volunteers.

The teams play schedules that include at least 10 or 11 home games and the same number of road games (mostly on the lower mainland) between April and the end of July. We have several players representing the Club in various colleges in Canada and the US, on lacrosse scholarships and others that have played on Provincial and national teams. We will continue to help our players reach the highest level of education and play on an ongoing basis.

There is a significant financial commitment required to operate this club. We do not receive funding from local, provincial or federal governments - our only sources of revenue have been the fees paid by parents/players, donations received from generous businesses and individuals and by our game day gate receipts. Running a successful amateur sports organization is not done without a great amount of effort by our volunteers and by the generosity of our sponsors.

Our Mission

Our Mission is to create positive life experiences, to equip and empower our athletes to serve as leaders in their communities, to be role models and to inspire and encourage other athletes. We strive to teach our athletes the value of hard work, dedication, commitment and most of all...integrity.
