TONIGHT'S MATCH-UP: SHARKS VS GUNSLINGERS

Written By: Cohen Freeman

Riding a 7 game winning streak and firmly positioned near the top of the Eastern Conference, the Jacksonville Sharks head into Week 13 looking to continue their dominant stretch as they host the San Antonio Gunslingers.

Jacksonville has won seven consecutive games and continues to establish itself as one of the most complete teams in the IFL. Following another exciting, crazy victory last week, the Sharks have continued to find ways to win with big plays on both sides of the ball. Even with 7 wins in a row the Sharks feel like there is still room to grow in terms of extending big leads and staying consistent in games.

Meanwhile, the Gunslingers arrive in Jacksonville looking to pull off a major upset. Despite facing adversity throughout the season, San Antonio, coached by former Sharks QB Jonathan Bane, remains a dangerous opponent capable of creating momentum through big plays and capitalizing on mistakes. The Gunslingers will enter

this contest eager to spoil Jacksonville's winning streak and prove they can compete with one of the league's hottest teams.

For San Antonio to have success, they must find ways to slow down Jacksonville's high-powered offense while sustaining drives of their own. Limiting explosive plays and controlling possession will be crucial if the Gunslingers hope to keep the game within reach. Allowing the Sharks to establish an early rhythm through the air could quickly put San Antonio in a difficult position.

For Jacksonville, the formula remains simple: continue attacking through the passing game while maintaining the defensive intensity that has fueled their recent success. Quarterback James Cahoon has been one of the league's most efficient signal-callers during the winning streak, consistently finding his playmakers in critical moments.

RIDING THE WAVE: SHARKS CHASE EIGHT STRAIGHT

Written By: Aidan Gomon

The Jacksonville Sharks have built something special over the past two months—and with each passing week, the momentum continues to grow. Winners of seven straight, the Sharks enter this week with a chance to capture their eighth consecutive victory and continue one of the hottest stretches in the IFL this season.

What began as a strong run has evolved into a statement. Jacksonville has found its rhythm in every phase of the game, turning consistency into confidence and confidence into wins. Over the course of the streak, the Sharks have continued to prove themselves as one of the most complete teams in the league, delivering in crucial moments and finding different ways to win each week.

Success has come from all sides of the ball. Offensively, Jacksonville has remained explosive and efficient, putting pressure on opponents early while continuing to execute in key situations late in games. Defensively, the Sharks have made game-changing plays when it matters most—creating stops, forcing turnovers, and swinging momentum at critical moments. Special teams have added another layer, delivering energy and field-position advantages that have helped tilt games in Jacksonville's favor.

But beyond the numbers, the streak has been fueled by chemistry. Week after week, the Sharks have played with a confidence that reflects a team fully buying into one another. Veterans have delivered in big moments, new faces have stepped up when called upon, and the group has continued to respond together whenever challenged.

Now, the opportunity in front of Jacksonville is clear: eight straight wins and another chance to strengthen their position as one of the premier teams in the league.

SHARKS KEEP STREAK ALIVE, LAST SECOND BLOCKED FIELD GOAL SEALS WIN OVER FISHERS FREIGHT

Written By: Katie Wright

The Jacksonville Sharks extended their winning streak to seven games with an exciting last second blocked field goal to sweep the Fishers Freight on Saturday. The Sharks move to 8-1 on the season.

After a rocky start, the Sharks quickly settled in and found their rhythm. The defense responded in a big way, highlighted by a massive hit from Clay Fields III and a goal-line stand that saw DB John Huggins force a turnover in the end zone. Isaiah Major scooped up the loose ball and returned it all the way to the Fishers 11-yard line, setting up Billy Bowens to walk untouched into the end zone for the game's first score and a 7-0 Sharks lead.

However, the Freight quickly fought back, turning the game into a score-for-score battle. Fishers answered to open the second quarter and tie the game at 7-7, but Jacksonville responded immediately. Redd Douglas punched in a touchdown, and Marc Orozco added the deuce to push the lead to 16-7. After Fishers cut the deficit to 16-14, Jacksonville delivered the play of the half. With just 3 seconds remaining in the first half QB James Cahoon connected with Douglas, who then found Jimmie Robinson Jr. on a wild hook-and-ladder trick play that resulted in a touchdown, sending the crowd into a frenzy and extending the Sharks' lead to 23-14. Fishers added a late FG before halftime, but the Sharks carried a 23-17 advantage into the break.

A battle ensued throughout the second half as the game went back and forth until the Freight finally took the lead, 34-30. Fishers had a chance to extend the lead to 7 but missed a late field-goal attempt, giving Jacksonville the ball with just 50 seconds remaining. The Sharks tried to move the ball slowly down the field. and use the clock. Coach Gibson did a great job of both as Cahoon connected with Billy Bowens on a big play to move the Sharks down the field. On the very next play, Jimmie Robinson Jr. ran in for a touchdown to give Jacksonville a 36-34 lead.

But there were a few seconds left on the clock. After a quick pass to gain some yards the Freight lined up for a FG and a chance to win the game. After a Sharks timeout to Ice the kicker the Freight lined up for the kick. The ball was snapped and the Sharks Defensive line made a huge push and blocked the kick to seal the victory. The final score was 36-34.
