TONIGHT'S MATCH-UP: SHARKS VS OILERS

Written By: Cohen Freeman

After a pull away victory against the New Mexico Chupacabras the Jacksonville Sharks look to extend their win streak to 4 in a row against the Tulsa Oilers.

The Oilers come into the contest with a record of 2-3, despite what their record shows the Oilers have been able to keep games consistently close until the very end, never losing a game by more than one score this season.

The Oilers have struggled this season with the ability to close out games in clutch moments. For the Sharks; this game will be about closing the game in the clutch and limiting the Oilers top ranked passing attack. Oilers' WR Jerminic Smith Sr. Leads the IFL in touchdown catches, touchdowns, and receptions, Smith Sr. will be a key player of interest that the Sharks defense will be paying close attention to.

The Sharks have shown resilience in moments where plays must be made. This is evident in their league leading 75% conversion rate on 4th down, when the Sharks need it most the plays are in their favor. For the Sharks, keeping this trend going will be key for success against the Oilers.

The Sharks will be looking to QB James Cahoon to build on his electric 5 touchdown performance against the Chupacabras. After a quiet 2 game stretch for the rushing attack, the Sharks will look to strengthen the balance of their offense against the Oilers. The Sharks look to extend their winning streak to 4 games against a team determined to keep the contest close until the final buzzer.

MARQUEL WADE RETURNS: FROM 2023 CHAMPION TO A KEY NAME ON THE 2026 ROSTER

Written By: Kendal Mirkowski

In the world of indoor football, careers often move fast, teams change, leagues shift, and rosters turn over almost overnight. But for Marquel Wade, the story isn't just about movement. It's about returning.

Back in 2023, Wade stood at the top of the arena football world, contributing to a championship run that showcased exactly what makes him special: versatility, speed, and a relentless ability to impact the game on both sides of the ball. Whether lining up as a wide receiver, defensive back, or return specialist, Wade proved he wasn't just a role player he was a difference-maker.

But championships don't guarantee stability. Like many arena football players, Wade's journey took him across teams and leagues, including a return stint with Albany, where he remained a valued piece during roster rebuilds heading into 2026. Yet even as teams changed, one thing didn't: his reputation as a winner.

Now, in 2026, Wade finds himself back where another chapter of his legacy continues with the Jacksonville Sharks. The franchise didn't just bring him in for depth. They brought him back because he knows how to win. He's done it before and in Jacksonville, he's expected to do it again.

The Sharks see Wade as more than a familiar name. They see a proven playmaker. A veteran presence. A spark. After all, this isn't his first run with the team; he's already played key roles in multiple championship seasons, including 2023, and returns in 2026 as one of the most experienced and dynamic athletes on the roster.

What makes Wade's return compelling isn't just the stats or the titles, it's the timing. The Sharks are reloading for another playoff push, blending new talent with seasoned veterans. In that mix, Wade becomes a bridge between past success and future ambition.

SHARKS STAY HOT, CONTINUE WIN STREAK AGAINST CHUPACABRAS

Written By: Cohen Freeman

In the first ever meeting between the two teams, the Jacksonville Sharks secured the win over the New Mexico Chupacabras 43-32 improving to 4-1 on the season. In a contest where Jacksonville was down 20-13 at halftime they found a way to change the pace of the game right out of the locker room.

The turning point was early in the third quarter when New Mexico was stifled by DL Devonta Davis on 4th down giving possession to the Jacksonville offense who then drove down the field finishing with a Marquel Wade touchdown; his 1st of 2 on the night. The name of the game for the offense was opportunistic scoring, the Sharks had 28 points off turnovers in this contest.

Jacksonville was outgained by New Mexico racking up 204 yards compared to 274 yards but excelled when it came to situation football. Jacksonville converted on 57% of third downs and 67% of fourth downs. The Sharks made plays when they needed them tonight and kept their win streak alive.

Highlight Plays

First Quarter

- The Chupacabras won the coin toss and differed. Within :48 seconds RB Jimmie Robinson Jr. powered into the endzone for a 3 yard touchdown, his 9th rushing touchdown of the season.
- QB James Cahoon handled the defensive pressure in the pocket and delivered a 27 yard strike to WR Jalen May who slammed his way into the endzone for a touchdown.

Second Quarter

- WR Jalen May continued being a reliable target catching an 8 yard pass bringing the Jacksonville offense to midfield
- DB John Huggins jumped the route, grabbing his 2nd interception of the season and returning it all the way to New Mexico's 8 yard line with 11:33 left on the clock.

Third Quarter

- Jacksonville opened up the third quarter with a huge stop on defense forcing a turnover on downs.
- Marquel Wade got by the defense and hung on to the catch for a 13 yard touchdown.
- WR Redd Douglas rose above the defense and snatched a 19 yard touchdown, Jacksonville up 27-26 at the end of the quarter .

Fourth Quarter

- Sharks Defense opened the fourth with a big stop resulting in a turnover on downs.
- Following the turnover, QB James Cahoon scanned the field and found a wide open WR Anthony Evelyn for the 30 yard touchdown.
- Defense shined once again with New Mexico threatening. DL Jalen Williams makes a big stop, resulting in another turnover on downs with 5:49 left on the clock.
- Marquel Wade picked up his 2nd touchdown of the game and handed New Mexico the Dagger. Jacksonville up 41-26 with 1:37 on the clock.
