MEET THE CANADIANS

Founded in 2013, the Great Lake Canadians program has become the premier baseball development program in the country, helping young, aspiring players reach their highest potential. The "GLC" program is built on the fundamentals of baseball development and supported by one of the best instructional staffs in Canada.

In the 13 years since its inception, the Great Lake Canadians baseball program has become one of the most recognized and respected programs in the country. More than 170 of our players have gone on to play at colleges and universities throughout the USA and Canada, providing them with opportunities that best fit both their athletic abilities and educational aspirations. In addition to these post-secondary achievements, the Great Lake Canadians have had 18 players selected in the MLB Draft, 20 former players go on to play professional baseball, and 30 players represent Canada on the 18U National Team.

Across both Canada and the United States, the GLC reputation for producing high-quality baseball players has continued to grow. However, it is not just the caliber of athlete that sets the program apart. The Great Lake Canadians take tremendous pride in developing well-rounded young men who excel in school, in life, and on the baseball field.

We hold all members of our program to high standards and emphasize the importance of responsible, respectful behavior both on and off the field. We recognize the value of working collaboratively with parents, coaches, and players to create the best possible baseball and life experience for everyone involved. From their effort and demeanor on the field to their performance in the classroom, we expect nothing but the best from our players.

These high expectations have been a driving force behind the continued success of the Great Lake Canadians baseball program. We look forward to another successful season of Great Lake Canadians baseball.

To all of our players, families, sponsors, and supporters—past and present—thank you. We look forward to another successful year of Great Lake Canadian baseball.

THANK YOU TO OUR SPONSORS

Thank you to our sponsors. Your support and contributions play an essential role in helping us maintain our state-of-the-art facilities, develop elite players and deliver one of the premier baseball programs in the country.

INTERESTED IN BECOMING A SPONSOR?

Please contact Chris Robinson to discuss opportunities to help support the Great Lake Canadians.
