About the Sharks

Beginning in 2017, the Sharks began play as charter members of the NAL. They were members of the AFL from 2010 to 2016 and won the championship of their division in their first four seasons of their existence.

About the Owners

Nate Starling has been an owner in the organization since the 2019 season with John Cheney becoming his partner for the 2021 season and both have been business owners in Central Florida for over 35 years. Nate and John have always been involved in giving back to the community which is the reason they created the Orlando Predators Foundation which works with a variety of charities to help them raise money year around.

Their wish is for everyone in Central Florida to have a chance to experience and enjoy the great, fast paced, professional sport of arena league football and fall in love with it as they have. Whether you are at a game for family night with the kids or out with friends looking to have a great time, the Orlando Predators Football team is the most fun you can have for over three hours watching a professional sports team at an affordable price!
