

JUNIOR COACH WAIVER

I, the parent/guardian of _____ am aware that my child is participating as a volunteer Junior Coach/Assistant Coach or Manager with the NSIHL for the Inline season.

I'm aware of the League's policy requiring individuals under the age of majority to wear helmets while on the bench or on the floor during practices. In this capacity, I'm waiving the right to hold the League, it's Board and/ or Director's responsible for any injuries sustained from game play if my child chooses not to wear a helmet on the bench while coaching/assisting and or managing.

My child is also aware of the NVRC Bylaw 7384 stating that, "helmets must be worn when using inline skates while coaching on any Recreation Commission playing surface."

Rule 1.8C in the NSIHL Rulebook States

c) Coaches under the age of 19 must wear helmets with a cage and chinstraps done up while coaching on the floor if they are wearing inline skates (in conjunction with the NV Bylaw # 7384).

- *Visors can be worn on the floor while coaching instead of a cage providing a parent/guardian of the junior coach has signed the junior coaching waiver. A Jr coach cannot coach without at least a visor at minimum while on the floor.*
