

NSIHL & Perimeter Drainage/Matthew Hutchinson Memorial Scholarship Application – 2022

Application for both the Perimeter Drainage/Matthew Hutchinson Memorial Scholarship and the NSIHL Scholarship

The North Shore Inline Hockey League Society is pleased to offer the Perimeter Drainage annual scholarship and a separate NSIHL scholarship, both for **\$1000** each, as we continue working in conjunction with the family of Matthew Hutchinson to memorialize his name. Matt's participation and love for our sport took him to the IIHF Inline World Championships where he won both a Bronze and Gold medal for Canada. We are looking for applicants who embody the qualities Matthew was known for: hardworking, dedicated, fearless and a mentor who took on a leadership role. These scholarships are dedicated to the promotion of roller hockey in BC and to assist worthy student-athletes in their desire to pursue post-secondary endeavours.

These scholarships will reward excellence in both scholastic and inline hockey pursuits. The successful applicant will be a student-athlete who has balanced their academic achievements with success as an inline roller hockey player and a contributor to the community.
