Tier 1 Hockey is the premiere level of youth hockey in the United States. This level of hockey is for players aspiring to pursue hockey at either the Junior, Collegiate and/or professional levels and requires a larger commitment of time and finances than you might experience in recreational hockey. In addition, the Utah Amateur Hockey Association has ruled all Tier 1 players ineligible to compete in High School Hockey for the 2018/19 season.

PRESIDENT: Joe D'Urso

VICE PRESIDENT: Lisa D'Urso

HOCKEY DIRECTOR: David Imonti
