

## Fundraisers

Have fun and earn money for your non-profit organization. Here is the perfect opportunity to have a great get together in a fun environment!

Tickets sold are redeemed for admission and skate rental at the box office for the day and time of your event only. You will pay \$9.00 per ticket. We only charge for the tickets that are redeemed, so if tickets are sold without people attending, you are never charged for those by the ice Station.

## Our fundraisers are designed as follows

1. Chose a public session day and time.
2. Design, print, and sell your own tickets.
3. You must RESERVE your Fundraiser date and time 1 week prior to event date.
4. Ice Station must have a copy of your Fundraising ticket 1 day prior to the event.  
(Ice Station is not responsible for selling your tickets).
