## TIE BREAKER SCENARIOS EXPLAINED

### 3 WAY TIE

**ALL TEAMS PLAYED EACH OTHER** (Clear winner)

SEED	TEAM	GP	WINS	LOSSES	TIES	POINTS	GOAL DIFF
1	PREDATORS	4	2	2	0	4	+5
2	KINGS	4	2	2	0	4	+2
3	FLYERS	4	2	2	0	4	+3

#### GAME RESULTS

Predators beat the Kings

Predators beat the flyers

Kings beat the Flyers

#### NOTES

Clear winner as all 3 teams involved played each other. Predators beat both to earn the higher seed, Kings beat the flyers to earn the next seed.

### 3 WAY TIE

**2 out of 3 TEAMS PLAYED EACH OTHER** (No clear winner)

SEED	TEAM	GP	WINS	LOSSES	TIES	POINTS	GOAL DIFF
3	FLYERS	3	1	2	0	2	+2
4	PREDATORS	3	1	2	0	2	0
5	KINGS	3	1	2	0	2	-1

#### GAME RESULTS

Flyers Beat the Predators

Kings Beat the Predators

#### NOTES

Predators and Flyers DID NOT play each other.

All 3 teams would have needed to play each other to determine a clear head to head winner.

Therefore, we can not use H2H, and all teams have 1 win, we will move to GOAL DIFFERENTIAL.

Even though the Kings beat the Predators, we will not go back to the top and use H2H, we continue down the tie breaker criteria.

GOAL DIFFERENTIAL: Flyers +2, Predators 0, Kings -1.

### 3 WAY TIE

**2 out of 3 TEAMS PLAYED EACH OTHER** (1 Clear winner)

SEED	TEAM	GP	WINS	LOSSES	TIES	POINTS	GOAL DIFF
1	FLYERS	3	2	1	0	4	+3
2	PREDATORS	3	2	1	0	4	+5
3	KINGS	3	2	1	0	4	+4

#### GAME RESULTS

Flyers beat the Predators  
Flyers beat the Kings

#### NOTES

Kings & Predators did NOT play each other, but neither beat the Flyers.  
Kings vs predators would have been irrelevant to the Flyers seed in this situation.  
Flyers beating both teams make them the clear winner and the higher seed.

*If either the Predators or Kings had beat the Flyers then we would have move to (most wins, then;) GOAL DIFFERENTIAL for all 3 teams.*

Since Predators & Kings did not face each other, and have 2 wins each, we will move to the next tie breaker for those two teams; GOAL DIFFERENTIAL: Predators +5, Kings +4.

### 3 WAY TIE

**ALL TEAMS PLAYED EACH OTHER** (No clear winner)

SEED	TEAM	GP	WINS	LOSSES	TIES	POINTS	GOAL DIFF	GOALS AGAINST
2	KINGS	3	1	2	0	2	+3	6
3	PREDATORS	3	1	2	0	2	+2	5
4	FLYERS	3	1	2	0	2	+2	7

#### GAME RESULTS

Flyers beat the Predators  
Predators beat the Kings  
Kings beat the Flyers

#### NOTES

This situation has all 3 teams beating each other one way or another.  
With no clear winner (H2H), and all teams having 1 win, we move to GOAL DIFFERENTIAL

GOAL DIFFERENTIAL: Kings +3, Predators +2, Flyers +2.

Predators & Flyers have the same GD, we will then move to GOALS Against; Predators 5GA, Flyers 7GA.

Even though the Flyers beat the Predators, we will not go back to the top and use H2H, we continue down the tie breaker criteria.

## 4 WAY TIE

### SOME TEAMS PLAYED EACH OTHER

SEED	TEAM	GP	WINS	LOSSES	TIES	POINTS	GOAL DIFF
2	KINGS	3	2	1	0	4	+5
3	PREDATORS	3	2	1	0	4	+4
4	FLYERS	3	2	1	0	4	+2
5	BRUINS	3	2	1	0	4	+1

#### GAME RESULTS

Flyers beat the Kings

Flyers beat the Predators

Predators beat the Bruins

All other match ups between teams listed did NOT occur.

#### NOTES

No clear winner here since all teams did NOT play each other. All teams have 2 wins, so we move to GD.

GOAL DIFFERENTIAL: Kings +5, Predators +4, Flyers +2, Bruins +1.

Even though the Flyers beat the 2 teams above them, all teams would have needed to play each other for the HEAD TO HEAD tie breaker to be in effect. Goal Differential is now the deciding factor.

---

*All other possible scenarios not listed will be explained by Tournament Director if necessary.*
