### **Q What rules do we follow?**

Teams must be affiliated with one of the following National Governing Bodies: USA Hockey, Canada Amateur Hockey Association, or IIHF. All games are operated under USAH Rules and Regulations. Neck guards are only required and mandatory if your US state/affiliate requires them. All USAH registered players, including goalkeepers in the Peewee (09, 08) through Midget (15U & 16U) age classifications are required to wear a colored (non-clear) internal mouthpiece that covers all the remaining teeth of one jaw, customarily the upper. Canadian teams will abide by the equipment requirements of their governing organization. For the first violation of this rule, the team shall be issued a warning. A misconduct penalty shall be assessed to any player or goalkeeper of that team for a subsequent violation during that game. For Squirts and Peewee's - USAH replaced the delayed offside rule with an automatic whistle. Consequently, if a player is off-side, the whistle will be blown immediately. If the offside is accidental then the face-off will occur just outside the offensive zone blue-line. An intentional offside will be whistled down with the face-off occurring in the violating team's defensive zone. Checking is permitted at the Bantam and older age classifications.
