Q What tournament sanctioning will be used for this tournament?

This event will be independently sanctioned through TCS Hockey. This means that any tournament team may participate in this event and we will provide an independent insurance policy for players & coaches. The details and logistics of this will be sent to all registered teams. So, if your team has not been able to host tryouts yet - you are able to gather players of the same age & skill level for the division of which you are registering for. Rosters will still need to be sent in and approved by TCS Hockey prior to attending this event - but your rosters do not have to be sanctioned. Teams can change their team names and even buy unique tournament jerseys to use instead of their club/organization jerseys. If you want to use your organizational jerseys, we suggest you check with your club or organization before doing so.

Q What rules do we follow?

All games are operated under USAH Rules and Regulations with a couple in-house additions/changes. Our updated rules will be sent out two weeks prior to the event in addition to being posted on our website. Neck guards are only required and mandatory if your US state/affiliate requires them. All players, including goalkeepers in the Pee wee (09, 08) through Midget (15U & 16U) age classifications are required to wear a colored (non-clear) internal mouthpiece that covers all the remaining teeth of one jaw, customarily the upper. For the first violation of this rule, the team shall be issued a warning. A misconduct penalty shall be assessed to any player or goalkeeper of that team for a subsequent violation during that game. Checking is permitted at the Bantam and older age classifications.
