

ABBOTSFORD CARDINALS BASEBALL CLUB

SPONSORSHIP LETTER

To maintain our mission of providing one of the greatest amateur baseball programs in the country, we continue to rely on our community to help support our mission in developing student athletes both on and off the field. As our program continues to evolve and grow, we feel it is essential to continue enhancing all aspects of player development and resources. Things such as field upgrades, technology, additional staff, and newly proposed indoor facility are all things we are working towards building as an organization and we cannot do it without you.

The Abbotsford Cardinals Baseball Club has provided youth in the Fraser Valley an opportunity to play elite baseball since 1997. As a member of the BC Premier Baseball League, the Cardinals develop and produce some of the finest, high school aged baseball players from across the country. To date, we have had 12 MLB Draft Picks and sent over 130 players to collegiate baseball. Our highly dedicated and experienced staff take a lot of pride in helping guide our student athletes to postsecondary options through scholarship opportunities. Furthermore, beautiful Delair Park is home to the Abbotsford Cardinals with unobstructed views of spectacular Mt. Baker. This well lit park seats over 300 people and enjoys the best concession in the BC Premier League! It is the perfect setting for exciting Premier League baseball action!

Recent flooding in the Lower Mainland have left extensive damage to the Abbotsford community, including our field and facilities at Delair Park. This flooding has left our program without facilities to train out of for the foreseeable future. Your contributions will directly support players by helping with costs of renting facilities, new turf, equipment, uniforms, team gear, and more!

We offer a variety of sponsorship levels which provide exposure, showcase your brand and promote your business to thousands of people in our community. As a non profit organization, generous contributions like yours help the youth ballplayers in our program to achieve their goals of continuing their baseball careers! Whether you're a small business or major corporation, there is no donation too small!

Your support is greatly appreciated as we look to bounce back stronger than ever in 2026.
