ABBOTSFORD CARDINALS BASEBALL CLUB

cardinalsponsorship@gmail.com

To maintain our mission of providing one of the greatest amateur baseball programs in the country, we continue to rely on our community to help support our mission in developing student athletes both on and off the field. As our program continues to evolve and grow, we feel the added pressure of enhancing all aspects of player development and resources. Things such as field upgrades, technology, additional staff, and newly proposed indoor facility are all things we are working towards building as an organization and we cannot do it without you.

The Abbotsford Cardinals Baseball Club has provided youth in the Fraser Valley an opportunity to play elite baseball since 1997. As a member of the BC Premier Baseball League, the Cardinals develop and produce some of the finest, high school aged baseball players from across the country. To date, we have had 12 MLB Draft Picks and sent over 125 players to collegiate baseball. Our highly dedicated and experienced staff take a lot of pride in helping guide our student athletes to post-secondary options through scholarship opportunities. Furthermore, beautiful Delair Park is home to the Abbotsford Cardinals with unobstructed views of spectacular Mt. Baker. This well lit park seats over 300 people and enjoys the best concession in the BC Premier League! It is the perfect setting for exciting Premier League baseball action!

The cost incurred to run a non-profit, volunteer based elite program of this caliber requires proactive community support. The rising costs of travel, uniforms, and field rental fees can create financial pressure for the families participating within the Cardinals organization. Your sponsorship would significantly help alleviate these burners for not just our club but families included.

Beyond investing in the future of local sports and supporting some of Canada's best amateur baseball players, we offer a variety of sponsorship levels and options through various exposure opportunities that can showcase your brand and promote your business to thousands of people in our community. Connect today with fans through our website, social media, and seasonal developmental programs with direct exposure to local families, sports enthusiasts, and local businesses. Whether you're a small business or major corporation, there is no donation too small!

Thank you for your consideration in helping shape the future of Canadian baseball and building a lasting relationship with the Cardinals community.
