The Abbotsford Cardinals Baseball Club has provided Fraser Valley youth with the opportunity to play elite baseball since 1997. As a member of the BC Premier Baseball League, the Cardinals develop and produce some of the finest, high school aged baseball talent across the country. Dedicated and highly qualified coaching staff helped student athletes to realize their academic potential at the post - secondary level through scholarships and open doors to opportunities in professional baseball.

Beautiful Delair Park is home to the Cardinals. With unobstructed views of spectacular Mt. Baker, the lit park seats over 300 and enjoys the best concession in the league. It is the perfect setting for exciting Premier Baseball League action.

WHY SPONSOR

The cost incurred to run a non - profit, volunteer based elite program of this caliber requires proactive community like you. Rising cost of travel, uniforms and field rental fees creates financial pressure for the families participating within the Cardinals organization representing our city.

Your sponsorship would significantly alleviate these burdens, allowing families to focus on supporting their young athletes and at the same time will offer advertising and exposure of your business/organization as an advertisement tool. Please consider supporting Cardinals baseball. We are looking forward to promote your business as Abbotsford Cardinals sponsor.
