Each order you place and pay for with Online Payments will have a small \$0.15 convenience fee. Online Payments are made to ShopWithScrip on behalf of your nonprofit organization. If you place your order with Online Payments and your payment is returned or rejected for any reason, one of two scenarios will occur:

- * If your family order has not been released by your organization, ShopWithScrip will cancel the order and charge your nonprofit organization a fee of \$30.00, which you will pay your organization.
- * If your family order has been released by your organization, ShopWithScrip will charge your organization for the face value of your order, plus a bank fee of \$30.00. You will pay your organization the total for the order and the fee.
