GAME PREVIEW IN ENGLISH

Milwaukee is the first opponent on the leader Flash's tour.

The Wave will host an undefeated Mexican squad this Sunday, January 28th, at 12:00, aiming to halt their streak of 12 wins in the current Major Arena Soccer League season.

By: Raúl E. Guevara Ortiz/Prensa Mty. Flash.- The three-game tour of the United States for Monterrey Flash will begin on January 28th, visiting the Milwaukee Wave, an old and familiar rival against whom they recently achieved their 12th victory, maintaining their overall lead in both Divisions of the Major Arena Soccer League in the 2023-2024 season.

The clash between Mexicans and Americans will take place at 12:00 Monterrey time, at the UW-Milwaukee Panther Arena, where the Wave, with the support of their fans, will seek to avenge their 9-4 defeat in their recent visit to the Monterrey region.

Both teams are in the East Division, where Monterrey Flash stands as the absolute leader with 12 undefeated games, 106 goals scored, 52 conceded, and a total of 35 points. Meanwhile, Milwaukee Wave remains in the second position in the same conference with 13 games played, 8 wins, 4 losses, and one draw (against Flash), with a record of 87 goals scored and 73 conceded, accumulating 24 points.

This will be the third occasion that both teams face each other in the current MASL season, where the Mexicans hold a favorable record of 1 win and 1 draw against Milwaukee's "Wave." Therefore, a victory for the Monterrey team would establish their dominance over the squad that, in 2018, took away Flash's second title in the professional fast-paced soccer circuit of North America at the UW-Milwaukee Panther Arena.

With this match, Monterrey Flash begins a three-game tour across the United States, scheduled for January 28th, February 2nd, and February 4th, facing Milwaukee Wave, Tacoma Stars, and Empire Strikers – the first rival from the East Division and the following two from the West.

For devoted Monterrey Flash supporters, each of the matches can be watched live through the portal: www.masl.com or www.twitch.tv.
