JIM HARTSHORNE PRESIDENT'S MESSAGE

Welcome to another exciting season of Victoria Shamrocks lacrosse!

As President of the Victoria Shamrocks Lacrosse Club, it is my absolute pleasure to welcome you to what is sure to be an exciting 2012 season of Victoria Shamrocks Lacrosse. This season marks the 63rd anniversary of the historic Senior "A" Victoria Shamrocks Lacrosse Club. Shamrocks began play in 1950 in the Inter City Lacrosse League which, of course, has now become the Western Lacrosse Association or WLA. As always, we at the Victoria Shamrocks are one hundred percent committed to putting a lacrosse team on the floor that will be exciting, fast and tough; a team that our supportive and loyal fans will be proud of this year, and for the many years to come.

This year, the Mann Cup championship series will be played in the East and you can bet all seven WLA teams will be battling hard to earn the right to make that trip. The WLA is now tighter and more competitive than ever before and we fully expect every

game on the schedule to be an exciting and tightly fought battle as we march throughout the regular season and into the playoffs!

The Victoria Shamrocks are extremely proud to be a part of this wonderful community and look forward to working with many different user groups and community programs throughout the year. We are also very pleased to be featuring a different community based "Theme" at each home game this year in our continued effort to make each Victoria Shamrocks season the best and most exciting ever for our valued fans.

It takes considerable community support to enable the Victoria Shamrocks to not only be a part of the WLA, but also to be woven into the rich history of the City of Victoria and the lacrosse community as a whole. I would like to sincerely thank the many fans, volunteers and sponsors who make this possible. Many thanks also are extended to the dedicated parents, coaches, managers and supporters who are committed to the sport of Lacrosse in the Greater Victoria Area.

On behalf of the Victoria Shamrocks, I hope you thoroughly enjoy the experience of coming to our games and watching the best athletes playing the game at the highest level, the way it was meant to be played. We sincerely hope that you will come back often and, of course, bring your friends!

Go Rocks go!

Jim Hartshorne President

CAROL HAMILTON CITY OF COLWOOD MAYOR

Welcome 'Home' SHAMROCKS!

The Victoria Shamrocks open the 2012 Western Lacrosse Association regular season on May 18, 2012 and on behalf of Colwood City Council and the citizens and businesses of the West Shore, I welcome you to Colwood and Bear Mountain Arena – "home" of the Shamrocks!

The Shamrocks are well known for their long tradition of success, which is due to the dedication and commitment of an elite team of athletes who consistently offer their fans an exhilarating experience showcasing remarkable talent and team spirit.

To the many sponsors, volunteers, parents, managers, coaches, and fans who support the Shamrocks – thank you. Your hard work, enthusiasm, and support play a vital role in the success of every player. We are looking forward to another exciting, successful season and wish everyone the best of luck and good times!

CASEY COOK WLA COMMISSIONER

On Behalf of the Western Lacrosse Association, I extend a warm welcome to all lacrosse fans to the 2012 season and this year's edition of the Victoria Shamrocks.

Lacrosse at Bear Mountain Arena promises to be very exciting this year. All of the clubs in the WLA have been working hard to improve their teams and to put themselves into a position to win the league championship. Parity has become a reality in the WLA. Last year, even into the last week of the season, all WLA member teams were in a position to be able to qualify for the playoffs.

When you visit WLA arenas this year, you will see many of the finest box lacrosse players in the world. The league is proud to offer you this level of sports entertainment, at a price that has been kept affordable for families.

The WLA, and its member teams, have worked hard to provide you, the fan, with a complete entertainment package. And for those unable to get to the arena, or if your team is on the road, you will be able to follow the games via live streaming on the internet. You are invited to go to the league website, theboxrocks.com for more information. Also, we value your input, and you are invited to provide comments or questions to The Commissioner's Blog, which is on our website.

We extend our thanks to all of those who work and volunteer in the WLA, and at all levels of the game of lacrosse, Canada's National Summer Sport. Also, please support the sponsors of the WLA and member teams.

In closing, we wish you a great summer, and remember, support your home team, the Victoria Shamrocks in their quest to capture the Mann Cup in 2012.

The Victoria Shamrocks Lacrosse Team is one of the longest-surviving and most successful sports franchises in Victoria's sports history. The Shamrocks entered what was then the Inter-City Lacrosse League in 1950, becoming the 6th team in the league. In their inaugural season they got to the league finals, losing to the New Westminster Adanacs in 5 games. They went on to reach the playoffs every year until 1955 when they won their first Mann Cup, defeating the Peterborough Trailermen 4 games to 1. They repeated that feat in 1957 against the same opponents and 1958 saw the boys in green miss the playoffs, in what was then a 4-team league, for the first time since their inception. It's interesting to note that back then, teams played a 30-game regular season.

Through the early years, Shamrocks fans enjoyed an exciting brand of lacrosse played by some of the best in the game including Archie Browning, Whitev Severson, Jim 'PeeWee' Bradshaw just to name a few. Through the early to midsixties the Shamrocks went through some lean years, missing the playoffs several times.

The year 1969 saw the formation of the Western Lacrosse Association which exists today. The lean times continued for the Shamrocks as they finished at the bottom of the standings in 1969 and 1970. I remember that. They did not begin to become successful again in terms of the standings until 1975 when they finished second and lost in the league final to the Vancouver Burrards. The Rocks made it to the Mann Cup in 1978, losing to Peterborough and again in 1979, capturing their third national crown, getting their vengeance on Peterborough to sweep the series in 4 games.

The 1970's and 80's saw more great championship teams return this season, players wearing the Shamrock on their in their 63rd year of operation, under new ersey including Ranjit and Nirmal Dillon, head coach Bob Hayes himself a former Kevin Alexander, Bob Cool, Paul and Gary outstanding goaltender for the Rocks. Gait, Larry Smeltzer, Larry Bell, Ivan iThompson and Art Webster, again just

naming a few that immediately come to mind. The next Mann Cup success came in 1983 with the team playing as Victoria Payless. In 1994 the team reverted to their former name of Shamrocks and in 1997 won another Mann Cup. That started a string of nine very successful seasons in which they finished first in the WLA 8 times. The Rocks captured Mann Cups in '99, 2003, '05 and '07, representing the west every year except 2001.

The Shamrocks have the most loyal and knowledgeable fans perhaps anywhere, certainly here in the west. Those fans are hoping to see the glory of those former

YEAR IN REVIEW

by Janice Huckin

The 2011 WLA rolled season around with a lot of enthusiasm and hopes that Shamrocks the would bring Mann ninth Cup to Victoria. During the offseason, GM Chris worked Welch bring some toughness to the team in response 2010 the playoffs in which he felt the Rocks pushed by the around New Westminster

Salmon bellies.

Among those brought in to fulfill the role were Dan McRae, Tory Gardner and Ben McCullough. Chris also acquired transition player, Andrew Suitor, regarded as one of the best tranny guys in lacrosse and no slouch with his fists either when push came to shove on the floor. Suitor finished 7th in team scoring, second in penalty minutes and was a force in the faceoff circle, becoming a big fan favourite as he created excitement every time he was on the floor.

The Shamrocks began the season minus several of their regulars who took the opportunity to play for their country at the World Lacrosse Championships in Prague, including Rhys Duch, Jeff Shattler and Dean Hill. Despite the player shortage, the Shamrocks got off to a

good start, getting 3 wins and a tie in their first 4 games. In those games, they were led offensively by newcomers Cory Small (26 points) and Jamie Shewchuk (18 points) along with Matt Lyons and home grown talent Kory Kowalyk. Small led the team in scoring from start to finish, amassing 70 points and was one of only 3 players to play in all 18 regular season games. With the return of Duch, Shattler and Hill, scoring was not usually an issue.

Goaltending was, for many fans, a puzzle. Nick Patterson and Matt Flindell started the season but later GM Welch was able to acquire veteran Chris Levis. Levis was coming off a bit of a layoff so it took a while to get accustomed to his new team. All 3 goalies had decent stats with Flindell playing the most minutes (437) and sporting the best

goals-against-avg of 8.91. Both he and Patterson took the back seat as the team rode Levis through the last half-dozen games of the regular season and through the playoffs.

"SCORING WAS NOT USUALLY AN ISSUE"

As predicted prewas season, the Shamrocks and Salmonbellies fought for top spot all year. The Bellies won all 3 head-to-head games and when the dust settled had 22 points, 2 ahead of Victoria. The battle was just as intense for the other playoff spots. Langley finished in third with 18 and 3 teams (Burnaby, Nanaimo and Maple Ridge) had 16 points with the Maple Ridge Burrards winning the pleasure of facing the Bellies

in the first round. Coquitlam was out of the picture with 14 points.

The Rocks held home floor advantage heading into their semi final series against the Langley Thunder, the only team besides New West to win their season series against the Rocks with a win and 2 ties. Langley seemed to care not a whit about home floor as they came into Bear Mountain Arena and won game 1 by a 9 - 7 score. They never let up and ended the Shamrocks season much earlier than had been hoped, taking the series 4-0, outscoring them by a 44-31 margin. The Rocks' season was over and the Thunder went on to defeat the Bellies and host the Mann Cup, losing in 5 games to Brampton.

In only their second season in the Inter City Lacrosse League, the Shamrocks finished first in the five team league with 47 points.

The Shamrocks' first Mann Cup Champion-ship win came in 1955 when the 'Rocks beat Peterborough four game to one in Memorial Arena.

Jack Bionda was the Shamrocks leading scorer in the 1957 season with 68 goals and 36 assists for 104 points in 25 games played.

One of the all time great Shamrocks was Canadian Lacrosse Hall of Fame member Ranjit Dillon. Ranjit was the Shamrocks' scoring champion four times.

Canadian Lacrosse Hall of Fame member, and Shamrock All Star Ivan Thomson holds the record for the most assists in a Mann Cup game with eight.

In 1952 the George Blackstock Memorial Trophy was donated to honour the Shamrocks Most Valuable Player. The first winner was Canadian Lacrosse Hall of Fame Member, Whitey Severson.

Great goaltending from Geordy Johnston led the Shamrocks toa 14 - 5 win over Peterborough to give the Shamrocks a 2 - 1 lead in the 1955 Mann Cup before a capacity crowd of 5600 fans.

Jim Lynch, Kevin Alexander and Ivan Thompson helped the Shamrocks sweep Peterborough in the 1979 Mann Cup Championship VICTORIA SHAMROCKS SHAMROCKS 2012 OFFICIAL MERCHANDISE
