Personal Belongings

Students are responsible for their personal belongings on the bus. No personal items are to be left or stored on the bus. Drivers and school personnel will not open buses during the day to retrieve items left behind.

Student Behavior Expectations

Students must adhere to all St. John Bosco High School policies and the student code of conduct while riding the bus and at the pick-up/drop-off locations. The following specific guidelines must be followed by all bus passengers to ensure the safety of the bus and its riders:

- ✓ Students must show respect to the driver and fellow students while riding the bus;
- ✓ Students must remain seated at all times. Drivers may assign seats as necessary;
- ✓ Students must be mindful and keep their voices low so as not to distract the driver;
- ✓ Horseplay or other inappropriate behavior will not be tolerated on the bus.
- ✓ Small snack items (i.e. breakfast bars, etc.) and bottled water are allowed on the bus. However, if food, drink, and/or debris are left on the bus, the privilege may be modified or revoked.
- ✓ Students are responsible for cleanliness and must dispose of trash
- ✓ Students may not throw or toss items to one another and must keep all personal items with them at all times.
- ✓ Students may not communicate with any person or vehicle outside of the bus.
- ✓ Students may not open the windows on the bus.
- ✓ St. John Bosco dress code applies on the bus and at the pick-up/drop-off locations

Disciplinary Action

Any student who violates the St. John Bosco Code of Conduct or the policies of the Bus Transportation Program will receive disciplinary consequences. Any violations of the Student Expectations will result in a referral to the Dean of Students. Safety violations may result in a Saturday School upon the first offense or may result in more serious consequences depending on the nature of the offense. Continued conduct violations, especially those that endanger the safety of the bus and its occupants, will result in either a suspension from the bus and/or expulsion from the program and termination of the transportation contract. The Administration reserves the right to invoke this policy as necessary.

Safety and Emergency Procedures

Each student will be instructed on the bus safety and emergency procedures. Fire exits are clearly marked and their operation will be demonstrated to all students. Furthermore, an emergency evacuation drill and overview of emergency procedures will be conducted twice during the school year, once per semester. It is the responsibility of each student riding the bus to ensure the safety of everyone else. This is accomplished by following all rules and regulations as well as abiding by the bus safety procedures. Violations of specific safety procedures as described in this handbook will result in a Saturday School. Should there be an emergency the Bus Transportation Program has specific procedures in place to ensure the safety and security of each student.
