Acceptance of Sept 22nd Meeting Minutes

- Motioned by: Angie Wolfe
- Seconded: Stacy Paterson

Reports:

1st Chair:

- Roger is on a Zoom call for Field Directorate meeting tonight so will be in and out of meeting when he can. Kelly will be chairing this meeting
- Moving forward this season we need to be very flexible with what we are going here.
- Phase 4 is expected in the near future and things will change again so we will all need to just adapt on the fly

2nd Chair:

- Working on the U12 and U15 cohorts right now
- Thank you to everyone for your feed back on where you think your team skill levels are, will make a big difference when creating cohorts
- U12 has 9 teams so will be 3 cohorts with 3 teams in each
- U15 has 12 teams so will 3 cohorts with 4 teams in each

Secretary:

- Please send me your list of spectator allowances and field rules asap so we can get that information to the commissioners prior to the start of games.

Treasurer/Registrar:

- No report

Head Umpire:

- We have successfully completed 4 umpire clinics with majority of registrants being returning umps
- 61 umps have been certified and more have expressed interest so there may be a 5th clinic if there is enough interest
- More levels 2s available this year as many of the university students are staying home this school year
- Every association except Chilliwack has umps
- New West mentions that some of their umps have not received their test yet. Angie to follow up

Club Reports:**Adanacs:**

- Excited for the season to start
- Working on balancing teams
- Struggling for goalies

Burnaby:

- Brad and Gerald busy writing emails and working the phones in support of having female lacrosse players labelled as multi-sport athletes so they can play in both youth and women's divisions if they wish
- That topic is hopefully being discussed at tonight's field directorate meeting
- BCLA Vice Chair of Women's Field Kellie Ohlmann is supportive of this proposal
- Email sent by Burnaby, Langley and Surrey in support of BCLA standing up for female players and either working with ViaSport or writing BCLA policy to support these girls

Chilliwack:

- Girls going well and numbers keep growing, up to 15 players
- Problem with sticks that were purchased by Chilliwack but are not on the World Lacrosse list of approved sticks. Gerry Van Beek is working on that at the CLA level to get that problem resolved
- Have no umps
 - Angie R mentions that there may be an issue with home games if there are no umps willing to go to Chilliwack
 - Tyler to send out request again for umps
 - Entry level refs can do U12 games so as long as there is someone over 14 yrs of age willing to take the course
 - Fusion West coming to help with the U12 team. Coach is not experienced in girls so it has been helpful

Langley:

- Thank you to Brad for what he has been doing with ViaSport and the girls being labelled as multi sport
- U19 have merged with Surrey and created a new jersey. Will let Surrey speak to that

Mission:

- Shelley appointed VP Field this week so catching up
- Have one ump and an ump allocator
 - Doing central allocation this year so ump allocator is not necessary
