## PROWLERS OWNERSHIP

### **KEN ANDREWS**

**Owner/President**

Ken Andrews was introduced as the Prowlers' new owner on July 23, 2025. He is the second owner in franchise history. Andrews also owns the Motor City Rockers, whom he took over in January 2025. A southeastern Michigan native, he brings a commitment to keeping the Prowlers in Port Huron and building on the first 10 years of the franchise's history. Throughout the summer, he has worked to create an elevated fan experience at McMorran Place including installing new wall projectors, with plans for a videoboard in the future, ice projectors, a real goal horn and a renovated walk-in team store. He's helped improve the player experience with a new bus and staff hirings. Andrews also brought in new equipment and staff to increase the quality of the PHP Network broadcasts.

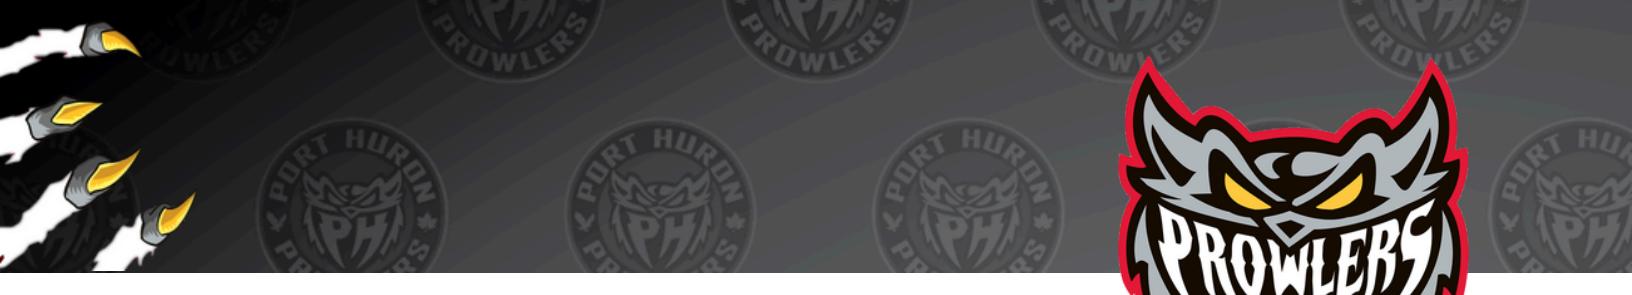

## PROWLERS MANAGEMENT

### **MATT GRAHAM**

#### **General Manager and Head Coach**

Matt Graham begins his fifth season as the Prowlers' general manager and head coach in 2025-26. He previously held the titles of assistant general manager and player/assistant coach for three seasons from 2018-21. He also continues to play in his 13th professional season and ninth with Port Huron. The team has improved in Graham's time at the helm. After finishing with 18 wins and 56 points in 54 games in 2021-22, the Prowlers posted back-to-back over 80-point campaigns. This past season, Port Huron eclipsed 30 wins and 90 points for the fourth time in team history and defeated the Danbury Hat Tricks for the franchise's first playoff series win since 2018. Graham has brought in new talent to the FPHL during his tenure including Tucker Scantlebury, Lukas Lacny, Reggie Millette and Valtteri Nousiainen. He's also been active in the trade market, making deals for Jamie Bucell and Tristan Simm last season. Some of Graham's best success has come from bringing in players at the end of the NCAA season. Players such as Conor Foley, Dominic Loubert and Jeromey Rancourt filled important roles in 2023-24 and another collegiate signing, Brett Lockhart, stuck around as a top defenseman in 2024-25. This past season, the late addition of a quartet from Trine University, Bobby Price, Drew Welsch, Tyler Fox and Tim Organ, became hugely important in Port Huron's playoff run. Price, in particular, scored five goals in the postseason, tied for the most in the league. Beyond hockey operations, Graham also runs the business portion of the organization, spending much of his summer working to create partnerships between the Prowlers and local businesses.

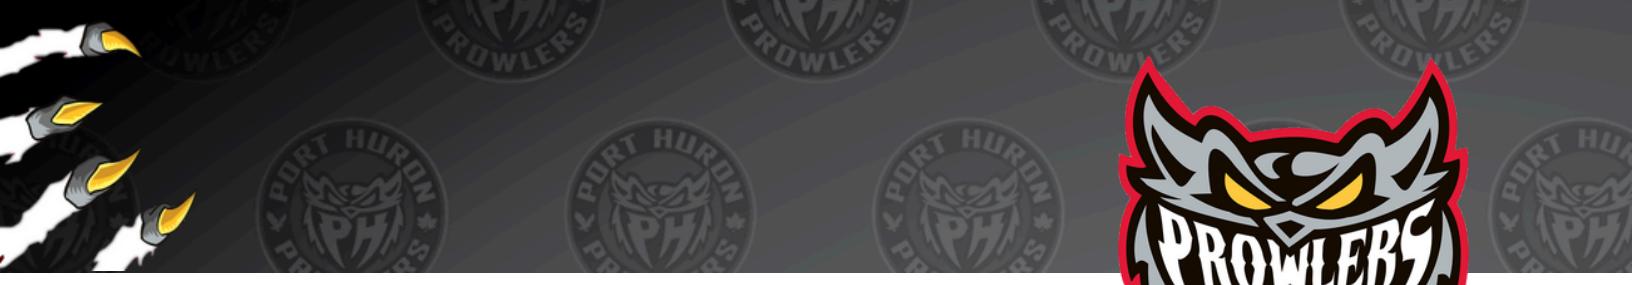

## PROWLERS MANAGEMENT

### **ALEX JOHNSON**

**Asst. General Manager and Asst. Coach**

Alex Johnson enters his fifth season as the Prowlers' assistant general manager and assistant coach. He was hired to those positions when current general manager and head coach Matt Graham took over in 2021. Johnson is also playing in his 11th professional season and eighth with Port Huron. Johnson has been the leader of the defense corps as a player and a coach in his role. He's been the Prowlers' top defenseman with two FPHL All-Star nods in his career. Johnson goes into the 2025-26 season third in franchise history in games played and fourth in points and he's been a large part of building the blue line group around him. On the business side, Johnson works on partnerships with local businesses to sell advertising and printers and other designers to create dasher board ads, banners and more.

## PROWLERS COACHING STAFF

### **CHRIS PAULIN**

**Associate Head Coach**

Chris Paulin will be behind the bench as the associate head coach for the first time since being promoted during the 2025 offseason. Paulin served as an assistant coach since being hired following a trade that brought him back to Port Huron from Mississippi in January 2023. He's become a familiar face behind the Prowlers bench. Since joining the staff, Paulin has become a large part of the recruiting process, including attending NCAA games to scout and connect with players. He also became a Corporate Sales Executive, helping to foster partnerships between the Prowlers and local businesses, large and small. In his playing days, Paulin amassed 52 FPHL wins as a goaltender, including a league-high 21 during the 2021-22 season with the Carolina Thunderbirds when he was named an FPHL All-Star. He also played for the Prowlers, Binghamton Black Bears and Watertown Wolves during his seven-year career.
