

BC Hockey AAA League Refund Policy

Any shortfall of team registration fees will be borne by players. As such, refunds shall only be granted if a replacement player is found to fill the vacant roster spot. For the 2020-2021 season due to Covid-19, \$247.00 will be a non-refundable fee for the Phase 3 program operation.

a) Players Release Due to Health

In the case where a player has encountered health issues that restrict participation, the player may apply for a refund, either in full or in part, of registration fees.

b) Players Voluntary Release:

- i. Should a player choose to be released from the team on their own accord or upon their own choice (i.e., player decides to quit the team), the registration fee will not be refunded by BC Hockey.
- ii. Should a player be released in order to sign with a junior team, the player may apply for a refund, either in full or in part, of registration fees.

c) Player Releases

There shall be no refunds for any player who has been released for disciplinary reasons.

d) Player Suspensions

Should a player be suspended by a AAA team, or by the AAA League relative to BC Hockey / Hockey Canada Regulations, the registration fee will not be refunded by BC Hockey.

e) Player Equipment

Player equipment provided by the AAA team is the property of the player. In the event a player has been permanently suspended or released from a AAA League Team, the equipment provided will be kept by the player. At the conclusion of the season, all players registered and in good standing with the AAA league team shall receive the equipment provided by the league.

f) Refund Approvals

All player refunds will be at the discretion of the Zone AAA Coordinator and the Chief Program Officer.
