PLAYER SPONSOR \$750

As a player sponsor you will be supporting the many costs players incur throughout the season. Although all players are required to work, attend school and participate in a variety of community-based events, these costs can be a burden and a barrier for many players.

Player sponsorships will assist with registration and insurance fees, game day travel and meals, accommodation and living expenses.

As a player sponsor:

- Your company name will be featured on the website @ westshorerebels.ca and on the game day roster sheet
- You will receive 2 tickets to all regular season home games
