

## 2019 PLAYER SPONSORSHIP PACKAGE

2019 promises to be another exciting season for the Westshore Rebels. Head Coach Shane Beatty, along with Offensive Coordinator J.C. Boice, have a strong list of new recruits, and with the returning veterans they expect the Rebels will be a winning team again this year.

Once a player has been signed to the football club, they will be expected to secure accommodation, employment and transportation to make their stay in Greater Victoria an easy adjustment. These costs are quite a barrier for some players and to reduce the burden, the team has made "ADOPT-A-REBEL" available for the players to acquire independent financial support from family, friends and businesses that support them in achieving their football goals.

You can follow your sponsored player by visiting [westshorerebels.ca](http://westshorerebels.ca) and coming to their home games with the tickets provided. If you would like to support a player and are not related to any of our young men, the team can help choose a player for you.

### WHAT YOU GET:

**COST: \$750**

Sponsors will receive two season tickets in addition to having their company or family name under the sponsored-player's profile on our website and in our program. Sponsors will also receive a PA announcement at one home game and a business card ad in our game day program (ad provided by you). In order to receive these benefits sponsorships must be returned no later than August 1, 2019.
