# TEAM OVERVIEW

## ▶ ABOUT THE RAIDERS

Founded in 2005, the Vancouver Island Raiders have become a powerhouse in Canadian junior football, winning eight BCFC Championships and three National Championships. Inducted into the BC Football Hall of Fame in 2018, the Raiders are dedicated to developing young athletes through commitment, discipline, and teamwork. Beyond success on the field, we emphasize academic achievement, leadership, and community involvement. With a passionate fan base and a strong network of alumni, the Raiders continue to uphold a legacy of excellence and opportunity for young athletes.

## ▶ OUR PURPOSE

The Raiders strive to provide a competitive and supportive environment that fosters athletic and personal growth. Our program builds future leaders by instilling values that extend beyond the field.

## ▶ OUR FOUNDATION

Rooted in excellence, the Raiders have a strong tradition of success, with players and coaches advancing to U Sports and professional careers. Our community of athletes, alumni, and supporters continues to drive our legacy forward.

# TEAM EXPERTISE

## PLAYERS

The VI Raiders have built a global football program, developing over 1,600 players from 10+ countries since 2005. Unlike any other sport, football requires a full roster of 85 players each season, creating a dynamic, high-performance environment that attracts top-tier talent. Many of our alumni have advanced to U Sports, CFL, and professional opportunities, proving that the Raiders are a launchpad for success. More than just a team, we foster discipline, leadership, and resilience—qualities that extend far beyond the game.

## RECORDS

The VI Raiders are synonymous with excellence, holding some of the most prestigious records in CJFL history. Andrew Harris, one of the most decorated players in Canadian football, set records for most career touchdowns (84), most career points (504), and most rushing yards in a season (1,476). Jordan Yantz leads in career passing yards (10,728), while Whitman Tomusiak holds the record for most career receiving yards (2,875). As a team, we've shattered records, including the 2011 season's 551 total points and 70 touchdowns—both all-time highs. These milestones reflect our relentless pursuit of greatness.

## CHAMPIONSHIPS

Winning is in our DNA. Since 2005, the Raiders have captured eight BCFC Championships and three Canadian National Championships, cementing our legacy as one of the CJFL's most dominant programs. We are the only team in BCFC history to be inducted into the BC Football Hall of Fame, a testament to our sustained excellence and impact on the sport. Our championship culture is built on elite coaching, disciplined athletes, and a commitment to success on and off the field. Each title represents not just victory, but the countless hours of preparation, sacrifice, and determination that define the Raider mentality. With a history of success and a future driven by ambition, the Raiders continue to set the standard in junior football.
