Invitation to Partner with Canada Inline to Grow the Sport of In-line Hockey

Dear Darrin Harrold, on behalf of Canada Inline we would like to share our officiating program resources with your In-line hockey group in Singapore.

The Fédération Internationale de Roller Sports (FIRS) sanctions Canada Inline as the official partners for growing the sport in Canada and their in-line hockey wing is organized by the Comité International de Roller In Line Hockey (CIRILH).

We are excited to hear about your growth and your request to use our officiating program resources.

I simply would ask that you send Canada In-line a letter recognizing our partnership with an official correspondence for your affiliated group.

If you have any questions on the material we have sent you or on building stronger ties, please feel free to contact me.

Yours in Hockey  
*Peter T. Kourtis*
