ABOUT NISA

GROW THE GAME!

NISA is a semi-professional men's soccer league in the United States. The league is below the professional leagues in the United States soccer league system and began play in 2021. NISA Nation is affiliated with the third tier professional league National Independent Soccer Association. Teams from NISA Nation can participate in the 36 team NISA Independent Cup.

NISA offers a complete portfolio of valuable partnership opportunities that can meet a variety of partner goals that includes brand association, player influencer and fan engagement activations through our extensive media, digital social, affiliate, community, grassroots, youth, matchday and competition rights, properties and assets.
