Our club is special because of all the different types of backgrounds our players have, that play on our teams. All our indoor teams play at rising stars sport complex, Schuyler and have teams in the Thruway league and the eastern New York premier during the summer season. In addition to that our boys and girl teams attend many tournaments during the year. United Elite Krajisnik Football club is all about every child getting to play this game that we love, for a low cost. Our Fundraising Cause

We have helped many different teams of all age groups travel and play competitively and would love to keep doing so. These teams have all been made possible because of the hard work of all our board members, experienced coaches, and the volunteers who love what they do. They fully support our club and what we stand for. We have done a lot for our club players, members and sponsors just to show our appreciation. We like to hold picnics, and fundraising events where all the kids and their parents can come mingle and enjoy the events. Every year, we invite a local businesses to sponsor a team. This year our teams need help lowering cost to play indoor soccer.
