

# CACHE VALLEY AMATEUR HOCKEY ASSOCIATION

## MINUTES FOR 11/7/17

**Present:** Nichole Hall, Michelle Bailey, Amanda Robinson, Erik Aikins, JT Ford, Bo Pan, Lynn Wallin, Lee Black, Betty Jo Black, Patty Bigelow, Evan Bigelow, Amy Bushman. **Parents:** Roberts, Gilberts, Bairs, Izatts.

1. Parents of D2 players attended the meeting to voice concerns about playing times, refs at home games, coaching, competitive play, and goalies. Their concerns were addressed as best as could be at the time. Amy is trying to get refs at the home games. In order to have coaching and an organized team, we need parent help. We need parent volunteers. We have reached out to a few people. The D2 parents will have another meeting.
2. Review Robert's rules of order: Lee presented. He wants meetings to follow the order.
3. Executive Board Positions: It was suggested that the board be comprised of the executive board; President, Vice President, Secretary, Treasurer, and Registrar. The remaining board members will now be referred to as committee members and will not need to attend monthly board meetings unless they have an item on the agenda.
4. Taking care of the EIC: We need to remind the players of the Player and Parent Code of Conduct that was signed at registration and they are to treat the EIC with respect; no trashing or damaging locker rooms/property, no floor hockey, and clean up after yourself.
5. Uploading of Score Sheets: It was decided that Bo will be in charge of uploading stats into Sports Engine. He will contact Brian, the state Webmaster, to learn how to do this.
6. Jersey orders and numbers: It was decided that the Registrar will be in charge of jersey orders and numbers for the organization. All approved.
7. Rostering of Players: Final rosters will be set December 1<sup>st</sup>. After they are set 10U D2 and 12U D2 will practice together at 5:45 and 10U D1 and 12U D1 will practice together at 7:00.
8. Background Checks: Reminder to get background checks if you are coaching, are a locker room parent, or have one on one time with the players.
9. Summer Options for Hockey: There is a summer league option through Salt Lake that we will join.

10. Wednesday Practice start time for Mites: JT wanted to start practice earlier, but a lot of parents work and don't get out in time. He will need to check with the EIC to see if ice is available earlier and how many parents can do that.

11. Poinsettia Fundraiser: Poinsettias will be picked up at Rudy's Greenhouse December 4<sup>th</sup>. All proceeds will go to player dues, or if paid in full, will get cash.
