Board Meeting Minutes 1/19/26

In Attendance:

Les Moore, President
Jon Redinbo, Vice President
Dave Rounds, Treasurer
Becky King, General Secretary
Mark Godwin, DOC, Executive Director
Chris Loschiavo
Rudy Chavez
Ken Ogden

Becky joined meeting in progress at 6:40

Topic in discussion:

We would like to do some 3v3 and 5v5 tournaments this year. We can use grass fields for small-sided tournaments.

Concession - we will be continuing the concession at the grass fields.

May use food trucks at turf fields.

We could possibly partner with the county on tournaments to utilize concession for the club.

Currently keeping birthyear coming into try outs.

New business:

Club Website

Website has been updated. There are a lot of additions to help promote the club, affiliations, and sponsors.

T.I.P.S. Training - adding to the fall registration as a Friday night technical session for an additional fee. On the website.

Alumni - we will start promoting players that have come through our club.

Registrar email - we will be sticking with one email that members can access.

Volunteers – opportunities will be posted on the website

We would like to add team photos for the competitive teams.

Information for college funding

Recommended tournaments will be added.

We will attempt to make partnerships with tournament directors. Partnerships will be added.

We now have Google analytics working to determine the clicks and visits.

Social media:

Mark to be added to Facebook as an admin.

We will be making videos of the board members for the Facebook.

We have received questions regarding 3 and some 2-year-olds in the recreation program.

Recreational Program:

Spring season update - We have 244 fully submitted / 110 have incomplete registrations. Registration closes at the end of Feb.

We will need to hold in person registrations. We can hold at Beef's, Glory Days, or at the fields.

Misc:

We are looking to add a registrar and administrator for collections.

Playmetrics – has a communication platform and coaches education built in. They also have scheduling software built in.

Mark is looking into Capelli uniforms. They give financial commitments back to the club. Coaches are also provided with free gear. Mark has connections.

Future considerations:

What can we do for our players that are in the upper levels? They need a pathway.

We will be doing summer camps. We would like to offer to competitive players.

Mark was approached by Arsenal about camps.

FYSA bucks.

Coaches Stipend - how much?

Partnership with soccer parenting. The player that has been banned due to the parent's actions may have the parent attend a parent class.

Fields:

County meeting - they were to come out this week to determine what must be done.

Issues we have had with the lights was due to someone accidentally deleting the schedule.

They will share their calendar for next 6 months with us.

If there are extra lights on at the fields, we will have a code to turn off lights.

Populated a schedule starting next week. There must be 4 teams on field 11 on Thursday to make the schedule work.

Future meetings:

Coaches meeting before the spring season. Possibly 2/23 for coach for community.

No coaches meeting this month.

Becky will need to get Esmeralda's information for volunteer of the year.
