DANBURY HAT TRICKS - FRONT OFFICE

Jonny Ruiz, Co-Head Coach & Captain:

Jonny Ruiz enters his fifth season as a player with the Danbury Hat Tricks and his first as co-head coach. A cornerstone of the franchise, Ruiz holds all-time Danbury records in points (268), goals (147) assists (121), and games played (201) coming into the 2024-25 season. In his first season as team captain in 2021-22, the 30-year-old center set franchise records in single-season points (85), and goals (49).

A native of Williamstown, New Jersey, Ruiz had another standout campaign for Danbury in 2023-24, finishing fourth in the FPHL in goals (38), and fifth in points (74). His special teams prowess was on display, tying for first in power-play goals (12) and short-handed goals (5). Ruiz appeared in his 200th career FPHL game on February 16, 2024 at Watertown. His efforts throughout 2023-24 earned him a FPHL First Team All-Star selection, as well as the Hat Tricks' Most Valuable Player and Offensive Player of the Year awards for the third consecutive season.

A product of the Philadelphia Jr. Flyers program (EHL), Ruiz played collegiately at Johnson and Wales University (2015-17) and UMASS-Dartmouth (2017-19). Ruiz broke out with 27 goals and 44 points in 27 games in his junior season, earning MASCAC Player of the Year and AHCA Div. III All-American honors. He finished his collegiate career as team captain of the Corsair.

An exceptional role-model in every position, Ruiz has also made his mark nationally, spending over a decade with Team USA Ball Hockey as a player, captain, and head coach of the U23 national team.

Ruiz's leadership in all aspects as captain and player-coach for the Hat Tricks has been unparalleled, and his transition to co-head coach is a natural progression.

Kyle Gonzalez, Co-Head Coach & Assistant Captain:

Kyle Gonzalez enters his fourth season with the team and first as co-head coach for 2024-25. A key defenseman for the Hat Tricks, The 30-year-old hailing from Chino Hills, California has been a steady presence for Danbury both on and off the ice.

In 2023-24, Gonzalez posted an impressive +14 rating in just 19 regular season games played, good for first among team defensemen, despite missing 38 games due to injury.

Gonzalez's leadership extends beyond the ice as a player-coach, making an impact in the lockerroom and on the bench as well. His importance was especially evident during Danbury's Commissioner's Cup-winning season in 2022-23 when he recorded a career-high 34 points in 54 games.

A four-year player for Northland College, Gonzalez skated in 75 games for the Lumberjacks from 2015-19. The California native got started with roller hockey before joining the Anaheim Jr. Ducks youth program, on his way to reaching the collegiate rank at Northland, and finally, a professional career which has spanned in both the FPHL and SPHL.

Known for his calm and reliable presence on the blue line, as well as an unwavering perseverance across every step of his career, Gonzalez brings skill and leadership to the Hat Tricks both as a player and also in his new coaching role.

DANBURY HAT TRICKS - FRONT OFFICE

Matt Voity, General Manager & Director of Goaltending:
Matt Voity enters his fifth season with the Danbury Hat Tricks and his first as the General Manager. Voity has played a pivotal role in the development of goaltenders, facilitating numerous call-ups to both the professional and collegiate levels during his tenure as the director of goaltending for the Hat Tricks organization (FPHL, NAHL, NA3HL). His contributions have been instrumental in shaping the team’s goaltending pipeline.

Voity began his coaching career with the Danbury Mad Hatters of the Eastern Professional Hockey League during the 2008-2009 season.

He later moved into NCAA Division I hockey, serving as the goaltending coach for the AIC Yellow Jackets from 2011-2014 and again from 2016-2019. In between, Voity worked with the University of Massachusetts from 2014 to 2016.

A former goaltender, Voity earned his bachelor’s degree in psychology from Western Connecticut State University, where he also played for the school’s club hockey team.

AJ Galante, Senior Advisor to the General Manager:
AJ Galante enters his first season with the Danbury Hat Tricks as the Senior Advisor to the General Manager. Galante is a Danbury hockey legend, best known for his time as president and general manager of the Danbury Trashers, a minor league hockey team in the United Hockey League from 2004 to 2006.

Appointed at just 17 by his father, Jimmy Galante, AJ gained attention for his unconventional management style, emphasizing physical play and fan engagement. Under his leadership, the Trashers became known for their toughness and for turning the team into a cultural phenomenon in Danbury. Their story was chronicled in the Netflix documentary Untold: Crime & Penalties, further amplifying the team’s legacy.

After his time with the Trashers, AJ transitioned into professional boxing, spending over 15 years advising boxers, securing bouts, strategizing careers, and promoting fighters. In 2015, he founded Champs Boxing Club, a facility that trains both professional and amateur boxers from across the country.

AJ also hosts the Talkin’ Trash Podcast alongside former Hat Tricks enforcer “Diamond Hands” Daniel Amesbury. Known for his dynamic personality and business acumen, AJ continues to make an impact in sports management across both hockey and combat sports, while also being a devoted husband and father.

Points/Standings

The FPHL uses the Olympic scoring system when awarding points based on game results. This means that a team receives three (3) points for a regulation win, two (2) points for an overtime win, one (1) point for an over-time loss and no points (0) for a regulation loss. Wins and losses in a shootout are treated as overtime wins and losses. This season, all teams will play a schedule that consists of 28 home and 28 away games for a total of 56 regular season games. The league will have two divisions, the Continental and the Empire, with the top four teams in each division advancing to the Commissioner’s Cup Playoffs.

Playoffs

The 2025 Commissioner’s Cup Playoffs will feature the top four (4) teams from each division advancing to the first round of the playoffs with the higher seed having home ice advantage in the best-of-three series. The di- vision winners with then advance to the division championship round in a best-of-three series with the winners advancing to the playoff championship round. The Empire and Continental playoff champions are then sched- uled to play in the Commissioner’s Cup Finals in a best of five series.
