Re: Community Sponsorship & Donation Request — Liberty Arsenal International Soccer Club/Academy

Dear Friend, Neighbor, and Community Partner,

OUR STORY

For more than three decades, Liberty Arsenal International Soccer Club/Academy has been more than a soccer team — we have been a family. Founded in 1990 at Fort Bragg, North Carolina, home of the legendary 82nd Airborne Division, our club was built around one simple idea: that the bonds forged on the soccer field mirror the bonds forged in service to this country.

Formerly known as Fort Bragg Arsenal International Soccer Club, we have grown into a proud non-profit organization serving military families, veterans, youth, and civilians throughout the Fayetteville-Cumberland County community. We have competed in leagues across North Carolina, earned championships, and — most importantly — provided a home for players who give everything they have in service to others.

When a soldier returns from a deployment that kept them away from home for months or even years, our club is there. No tryouts. No "starting over." Just teammates who never stopped believing in them.

WHO WE SERVE

Liberty Arsenal is open to all — and we mean it. We proudly serve:

- ✦ Active-duty military members and their families
- ✦ Veterans and retired service members
- ✦ Youth players and the next generation of soccer talent
- ✦ Civilians who share our love of the beautiful game

Participation in our programs is completely free of charge. Not a single player pays a fee to compete with Liberty Arsenal. Every dollar we raise goes directly to keeping it that way.

2026 SEASON — WHAT WE NEED YOUR HELP WITH

This year we are competing in the UPSL Spring and Fall 2026 Season, plus the Carolina Amateur Gold Cup in Winston-Salem in December. Historically, our players, coaches, and manager have personally absorbed the costs of running the club — a financial burden that falls especially hard on our youth families and on veterans living on fixed incomes. Your donation changes that.

Your support will directly fund:

- ✦ UPSL League registration fees (Spring & Fall)
- ✦ Player uniforms and equipment
- ✦ Referee fees
- ✦ Carolina Amateur Gold Cup entry (December, Winston-Salem, NC)
- ✦ Travel and operational expenses

OUR GOAL: \$10,000

We are raising \$10,000 to fully fund the 2026 competitive season. Every contribution — large or small — makes a real difference for our players and their families.

Liberty Arsenal International Soccer Club/Academy is a registered non-profit organization. All donations are tax-deductible to the extent permitted by law.

Non-Profit Tax ID#: 56-1993143

We are asking for your partnership — not just your dollars. When you invest in Liberty Arsenal, you invest in the veterans who defended this community, in the youth who will one day lead it, and in the spirit of teamwork that connects us all.

Teamwork Makes the Dream Work. One Love — Always.

With deep gratitude,

Marvin N. Andrade | Operations Manager, U.S. Army Retired

Errol Cumberbatch | Head Coach
