The timing for this tournament was perfect! This year MIHA will be going to Grand Rapids during Art Prize. Not only does Grand Rapids feature several of the top breweries in the country, but now the city will be completely covered in art work, free of charge! And you can vote for what entries can win a \$200,000 prize!

From [www.Artprize.org](http://www.Artprize.org) -

For 19 days, three square miles of downtown Grand Rapids, Michigan, become an open playing field where anyone can find a voice in the conversation about what is art and why it matters. Art from around the world pops up in every inch of downtown, and it's all free and open to the public.

It's unorthodox, highly disruptive, and undeniably intriguing to the art world and the public alike.
