645pm	T3	#1 Fusion - 4	#6 Shamrocks - 3
740pm	T2	#7 Knights - 2	#8 Saints - 4

**Breakaway Scoring** - Players will be put into groups. Each player will have a minimum of three breakaways, winners in each group advance to final group. Single round until one player is left. Goalies will also judged on this event and a winning goalie will be selected based on best save percentage.

**Fastest Skater** - Each participant will be timed on 1 lap around the rink. Top two times will face off in a final.

**Accuracy Contest** - There will be four targets attached to the inside corners of a goal. Shooters will get up to 10 opportunities to hit all 4 targets. The winner is determined by who hits all four targets in the fewest number of shots. If there is a tie there will be a rematch of players tied for first.

**Hardest Shot** - Each participant will have 2 opportunities to shoot on an empty net from behind a line that is between the faceoff dots. The fastest speed recorded will win. The radar gun will post the speed of the shot. Shots not on net will not count even if the radar gun reads the shot.

**Relay Competition** - 4 person relay race

1st skater - Speed - One lap around cone and back, no puck

2nd skater - Backwards skating - Backwards around cone at mid-rink, return forward to end line, no puck.

3rd skater - Stick handling - Around cones to center, then return forward with puck, pass puck on to next skater

4th skater - shooting/passing - skate forward with puck to a space between center line and blue line, will shoot puck into small net. After goal or miss, will receive pass from teammates and continue to shoot until 4 goals are made or until all 10 pucks are used, will skate back to end line / finish.

F - Tony Garcia, Syndicate North  
 D- John Rudak, Syndicate North  
 F - Jake Bell, Squirtle Squad  
 F - Kayla Schenider, Squirtle Squad
