- a. A Provincial Registration Fee as determined by the OBA Board of Management and Rep Council, will be paid by the Affiliated Association or Direct Entry, as the case may be, to the OBA for each of its rep teams.
- b. The Provincial Registration Fee must be paid by July 8th to the OBA Office. Failure to pay the Provincial Registration Fee shall result in the team(s) not being classified.

R4.01 BOUNDARIES

- a. The status of all Affiliated Associations is defined as territorial rights, as set forth in Appendix B. The boundaries of each have been approved and set by the Rep Council. Any new baseball associations, which do not conflict with any established Affiliated Association, which desire to affiliate with the Rep Division, must first be approved by the Rep Council.
- b. Two Local Associations in different Affiliated Associations cannot amalgamate across Affiliated Association boundaries without the written permission of both Affiliated Associations and the approval of OBA.
- c. All applications by Direct Entries for direct entry must be approved by the Rep Council before being accepted.
- d. The Rep Council shall have the power to mediate boundary disputes and make changes to Affiliated Association boundaries where such changes are deemed to be in the best interests of baseball.

R5.01 HOUSEHOLD COUNTS

- a. The OBA shall offer for annual competition the following Rep Provincial Championships:

Category	30,001+ Households	Less than 30,001
8U	AAA, AA, A	B
9U	AAA, AA, A	B, C, D
10U	AAA, AA, A	B
11U	AAA, AA, A	B, C, D
12U	AAA, AA, A	B
13U	AAA, AA, A	B, C, D
14U	AAA, AA, A	B
15U	AAA, AA, A	B, C, D
16U	AAA, AA, A	B
18U	AAA, AA, A	B, C
Category	All Households	
16U Girls	AAA	
22U	AAA, AA, A, B	
Women	AAA	
Senior	AAA, AA, A, B, C	

- b. Household numbers are used only to determine categories teams are eligible to participate in. Teams may request higher classification if so desired. A team at a lower household category may be classified at the classification of a larger household category at its request.
- c. For purposes of classification, the number of households will be based on Canada Post data. Each Affiliated Association must define which postal codes are contained within their Local Associations' boundaries. Urban centres will use the FSA (first three digits of the postal code) and rural centres will use all 6 digits of the postal code. The information must be filed with the OBA Office by April 1, 2012, and updated as necessary every three years thereafter. If an Affiliated Association fails

to comply with this requirement, the Competition Committee will decide whether or not the Affiliated Association's teams will be eligible to be classified, and if so, will determine the classification of the teams. The Competition Committee's decision is final and may not be appealed.

- d. The number of households added to the household count of a team by an import player(s) will be determined as follows:
 - i. Each urban postal code will add the highest count associated with the LCW, LB, SS, RR, or GD (as defined by Canada Post) for the FSA in which the players reside.
 - ii. Each rural postal code will add the highest count associated with the LCW, LB, SS, RR or GD (as defined by Canada Post) for the postal code in which the players reside.
 - iii. The import player household count adder will be calculated as the average of the household counts determined in the prior two steps. (Note: this will determine a single number that will be used as an adder for each player residing outside of the Local Association postal code(s), regardless of whether they reside in an urban or rural postal code. This number will be revised every 3 years by March 31st, in the same year that Local Association postal codes are eligible for changing).
 - iv. The import player household count adder will be recalculated with the update of the Canada Post information on which it is based.
 - v. Canada post data will be updated annually by March 31st.
 - vi. Where two or more Local Associations within the same Affiliated Association combine their players to field a single team, they may apply to have the combined household counts considered as the base amount for the Local Association registering the team, rather than applying the import adder count for each player from the other Local Association(s) involved. Application must be made to the Classification Committee by June 1st. The addition of the household counts from the neighbouring Local Association(s) must be applied to all teams classified by the designated Local Association.
- e. If any Local Association feels it has a circumstance that does not fall under the provisions of R4.01a) to d), it has the right to appeal to the Rep Division.

R5.02 CLASSIFICATION (Pilot)

- a. Teams must submit their Classification to the OBA Office on or before April 28th annually, or 5 business days prior to the team's first game of the season, whichever is later. The method of classification shall be adding the classification to their roster ID in the OBA-approved rostering system (ie: 13U AAA). Failure to submit such information by the deadline shall result in the applicable team(s) not being permitted to participate in OBA Championships.
- b. Once a team classifies for the season, they will not be permitted to lower their classification, however they may choose to classify higher if they wish.
- c. The Rep Operations Committee shall determine the legitimacy of all teams' classifications.
- d. Affiliated Associations must declare their teams' intention to participate in the OBA Championship that they classified in at the start of the season, no later than June 30th.
- e. The OBA Rep Commissioner shall appoint a Competition Committee to review the number of teams desirous to play in the OBA Championship. The Competition Committee will meet on the weekend following the second Monday in July to review and ensure that teams are entered for the classification that they submitted at the start of the season. Teams may be reclassified to a higher classification by the Competition Committee at the request of the local and/or affiliated association if deemed appropriate
- f. The Competition Committee shall present the final classifications and recommendations for determining additional Play-Off spots to the Rep Council at the July Rep Council meeting.
- g. Teams not permitted to classify by an Affiliated Association
Affiliated Associations do not have the authority to prohibit a rostered Local Association team from participating in the Provincial Championships except for disciplinary purposes. Disciplinary decisions to remove a team from competing for a Provincial Championship are appealable to the Commissioner of Rep Baseball via the Commissioner's Appeal process.
- h. Where required for classification purposes, the Affiliated Association must submit to the Classification Committee (on a form approved by the Rep Council) the schedule and results of the teams in any league play, the won-lost-tied record, and any tournament results that the teams may have participated in. Failure to comply with these rules will result in the team not being permitted to classify.

- i. Once classifications have been approved by the Rep Council, no further changes will be allowed.
- j. In any classification where less than 4 teams classify, no Rep Play-off will be held, and those teams which would have been classified at that level shall have the option of moving up one classification to participate in a Rep Play-off. Where they elect not to move up, they will not be classified.
- k. Except for Rep Provincial Championships for 8U, 9U and Female Baseball, the number of teams allowed to participate at each classification shall be one per Affiliated Association plus the tournament host. In any series where the number of Affiliated Associations participating plus the tournament host is less than 12, the number of teams which will be allowed to participate would be up to 12 including the tournament host. The Rep Council shall determine the manner of selection of the additional teams to make up the 12-team tournament. If there are less than 12 teams classified at a classification, all teams shall be permitted to participate.
- l. At 8U, 9U and Female Baseball, the number of teams allowed to participate at each classification shall be one per Affiliated Association plus the tournament host. In any series where the number of Affiliated Associations participating plus the host is less than 16 teams, the number of teams which will be allowed to participate would be up to 16 including the tournament host. The Rep Council shall determine the manner of the selection of the additional teams to make up the 16-team tournament. If there are less than 16 teams classified at a classification, all teams may be permitted to participate.
- m. At Senior the following limits apply to the number of teams for each Rep Play-off Tournament:
 - i. Senior AAA shall be unlimited; and
 - ii. Senior AA and below shall be limited to 12 teams, with no more than 2 teams coming from any one Affiliated Association. Additional teams may be added from an Affiliated Association to bring the tournament to a maximum of 12 teams including the host.
 - iii. Except at Senior AAA and Senior AA, the champions in any category shall be classified in the next high category the following year.
- n. The Rep Council shall decide annually the method by which the winner of each Rep Play-off shall be declared. This method shall consist of one of the following:
 - i. home and home style Rep Provincial Chamionships; or
 - ii. a double loss knock-out tournament with a minimum of 6 teams scheduled to be held no later than the Labour Day weekend; or

- iii. a round robin tournament; or
 - iv. a combination.
- o. No player may participate with more than 1 team in any 1 series.
 - p. Any team classified at the Rep classification meeting must participate in all its Rep Provincial Championships. If a team fails to fulfil its commitment a fee of 1.5 times the entry fee for that tournament will be assessed. Local Associations and Affiliated Associations shall be responsible for ensuring payment of such fines assessed against their teams.
 - q. In order to be classified, a team must have played and reported a minimum of 5 games against other OBA Rep rostered teams and those games must be documented in the Pitch Count app.
 - r. Except at 18U AAA, at each age category where the winner of the National Qualifier Tournament is not deemed a Rep Play-off Champion, the winner of the National Qualifier Tournament shall be granted an automatic entry into the Rep Play-off Tournament for which teams entering the National Qualifier Tournament are classified. The National Qualifier Tournament winners will not be considered the representative of the Affiliated Association to which it belongs, and the Affiliated Association shall be entitled to send another of its teams as its representative. National Qualifier Tournament winners must declare their intentions to the OBA Office and the Rep Play-off Tournament host by August 15.
 - s. For 8U, 9U and Girls Baseball, the OBA Play-off Tournament format shall be at the discretion of the Rep Council each year.
 - t. Where several municipalities or Local Associations of C or lower classifications desire to compete in open tournaments at the A, AA, and AAA level, they may choose to register an Affiliated Association approved team for that purpose. Such teams shall not be eligible for Rep Provincial Championships and National Qualifier Tournaments, and players on such a team are obliged to honour commitments to their Local Association first.

RP1.2 Birth Records

- a. All players 21 years of age and under must produce a birth record the first time they register with OBA. Only birth certificates, passports, citizenship cards or driver's licenses will be accepted as birth records. In the case of Affiliated Associations having their own registrar and having the approval of the OBA, it is not necessary to send birth records to the OBA Office if such birth records are provided to the Affiliated Association's registrar and will be recorded by the registrar. For Affiliated Associations not having their own registrar or for Direct Entries, when sending birth records to the OBA Office, they must be listed, and a copy of the list included with the birth records. Upon receipt of a birth record, it will be recorded in the OBA Office.
- b. Players who cannot procure a birth record may sign a team roster upon producing a statutory declaration sworn by their parent or guardian establishing their age; the same to be accompanied by a certificate of a solicitor or notary public.

RP1.3 Residency Rules

- a. The basic premise of the Rep Division's residence rule is that players are to play with the Local Association where they reside.
- b. Players must establish residence within the Local Association on or before June 30th of the playing year. Exception: a player, who (1) maintains Canadian citizenship, (2) has been a member of a Rep Local Association or Direct Entry for at least one year prior, (3) continues to be a member of the same Rep Local Association or Direct Entry, and (4) for any reason is living outside of the Province of Ontario, may continue to register with that Local Association or Direct Entry.
- c. Individuals may be granted permission by the Rep Registrar to participate in Rep play. Cases will be dealt with on an individual basis (i.e., exchange students).
- d. Affiliated Associations must establish territorial boundaries for Local Associations within the Affiliated Association. Affiliated Associations may also set policies applicable within their Affiliated Association. A copy of the boundaries and any related policies must be filed with Baseball Ontario. The Rep Division will consider the most recent copies filed by the Affiliated Association in any dispute. The Rep Division may, in its discretion, choose to not follow the Affiliated Association policy where it conflicts with the OBA Procedures and Playing Rules and/or the Procedures and Playing Rules of the Rep Division or the best interests of Baseball Ontario.
- e. In areas where no Local Association exists, the Affiliated Association may set policy. In the absence of such a policy, The Rep Division shall apply the following

policy: The player may play for any team in the Affiliated Association without a release.

- f. In areas where there is a Local Association, but the Local Association does not have a team at the particular series, the Affiliated Association may set policy. In the absence of such a policy, The Rep Division shall apply the following policy: The player may play for any team in the Affiliated Association without a release. For the purposes of this rule, minor (e.g., 8U, 10U, 12U, 14U, 16U) is not defined as a separate series from major (e.g., 9U, 11U, 13U, 15U, 18U). If a combined minor/major program is offered by a Local Association, then the Local Association is considered to have a team at the particular series. The player is expected to return to his/her Local Association, unless a release is obtained pursuant to RP1.5.
- g. A player in the circumstances of e) or f) may play for a team in another Affiliated Association without a release where such team is the team closest to his/her place of residence. Closest team shall be interpreted as the distance from the player's home to the relevant teams' home baseball diamond as the crow flies.
- h. Where a Local Association has more than 1 team operating in the same series, the Local Association shall set policy and/or boundaries for such teams. The Local Association shall file a copy of such policy and/or boundaries with the Affiliated Association and Baseball Ontario.

RP1.4 Players Changing Residence

- a. Baseball Ontario recognizes that families move. As set out in RP1.3b), players must establish residence prior to June 30th of the playing season.
- b. In split family situations (i.e., the parents are divorced or separated), players 18 years of age and younger shall be deemed to reside where the parent(s) having custody rights reside.
- c. Baseball Ontario does not condone moves of convenience or falsified family splits designed to bypass the release process.
- d. Baseball Ontario, when considering the legitimacy of the family move or family split, may have regard to a number of factor(s), including, but not limited to the following:
 - i. a statement from the parent(s) outlining that they actually live at the stated address;
 - ii. a copy of a rental agreement or proof of ownership of the residence;
 - iii. a driver's license with the stated address;

- iv. the name and address of the school the player attends;
- v. a separation agreement or divorce decree outlining the custody and access arrangements of the player; and/or
- vi. Canada Revenue Agency Marital Status Change Form – RC 65

RP1.5 Players Changing Teams, Releases, and Transfers

- a. Players are only allowed to be registered with one team at any time. Players registered with one team must be properly released before registering with a second team. This applies to all series.
- b. A player's playing rights are held by: (i) the Local Association(s) where they reside as set forth in RP1.3 and RP1.4; and (ii) the Local Association where they played the previous season if the player obtained all necessary releases under this section RP1.5. At the Affiliated Association level, a player's playing rights are held by the Affiliated Association(s) where they reside as set forth RP1.3 and RP1.4.
- c. Before a player may participate in a practice, game, tryout, evaluation, or other baseball activity with a team that does not currently hold the player's playing rights, the player must obtain the appropriate authorization as specified below.
- d. Where a player wishes to participate in another team's out-of-province game or tournament and is registered with the Local Association that holds their playing rights, then permission from the Local Association and the Affiliated Association are required.
- e. Where a player desires to register with a Direct Entry or Local Association that does not hold their playing rights, the player must obtain:
 - i. a release from each Local Association that hold their playing rights as set out in RP1.5 b); and
 - ii. a release from the Affiliated Association where the player resides, if they desire to register with a Direct Entry or Local Association outside of the Affiliated Association where they reside.

Note: The request for a release must be in writing and the granting or refusal of a release shall be in writing authorized by the current management of the Direct Entry, Local Association or Affiliated Association involved. The foregoing does not apply at AAAA, 22U, or Senior where no release is required, and a player may sign with a team that does not hold their playing rights without a release as long as there is no equipment, uniform or financial obligation owing to their previous team.

- f. Where a player desires to participate in a tryout, evaluation, practice, or other baseball activity with a team that does not currently hold the player's playing rights, the player must obtain the releases required by RP1.5e).
- g. Release requests must be responded to and adjudicated by the Local Association or Affiliated Association, as the case may be, within 14 days of receipt. The Local Association or Affiliated Association may extend this due date by an additional 14 days should more information be required and must do so in writing to the person requesting the release. Should the request not be responded to within these parameters, the release will be automatically denied.
- h. Where a Local Association or Direct Entry grants a player a release, such release is valid and remains in full force and effect so long as the player continues to play for the Local Association or Direct Entry with which the player registered on the basis of having been granted such release.
- i. All releases must be in writing and cannot be conditional.
- j. Any player, for whom a Local Association is not prepared to offer a spot on one of the Local Association's OBA teams, is deemed to be released. The Local Association is required to provide a written release upon request by the player.
- k. Any player, who has not been played by his/her team in 3 or more consecutive games, has the right to appeal to the OBA Technical Committee should the player's team refuse to release the player.
- l. Releases shall not be valid until filed with the OBA Office.

RP1.6 Release Appeals

- a. Where a player has been denied a release under RP1.5 by a Local Association, the player has the right to appeal in writing the Local Association's refusal to the Affiliated Association.
- b. The Affiliated Association will make a decision to grant or deny the release. The Affiliated Association's decision is to be in writing.
- c. Either the player or the Local Association may appeal the Affiliated Association's decision to the OBA Technical Committee. No appeal may be made until the Affiliated Association has made its decision. The appeal must include all evidence and correspondence submitted to the Local Association and/or the Affiliated Association and copies of all decisions made by the Local Association and Affiliated Association.

- d. The OBA Technical Committee will establish the time and place of the appeal hearing, which will be held within 30 days of receiving the written appeal and all documents required in RP1.6 c).
- e. The player (and/or his/her parent(s) or guardian(s)) and the Direct Entry or Local Association and/or Affiliated Association must be present in person at the hearing to provide evidence in support of their position.
- f. Failure to appear may result in a default decision. The decision of the OBA Technical Committee shall be final.

RP1.7 Offenses

- a. Where a player participates in a practice, game, tryout, evaluation, or other baseball activity with a team that does not currently hold the player's playing rights without the authorization(s) required by RP1.5, the player is subject to suspension by OBA.
- b. Any Head Coach, Assistant Coach or manager who allows a player to participate in any practice, game, tryout, evaluation, or other baseball activity with a team that does not currently hold the player's playing rights without the authorization(s) required by RP1.5, is subject to suspension by OBA.
- c. No player, Head Coach, Assistant Coach or manager may approach any player for whom their Local Association or Direct Entry does not hold the playing rights with the intention of securing said player for their Local Association or Direct Entry. Violation of this rule will leave the player, coach, or manager subject to suspension by OBA.
- d. Where a director, officer, employee or other member of a Local Association or Direct Entry (who is not a player, Head Coach, Assistant Coach or manager) approaches any player for whom their Local Association or Direct Entry does not hold the playing rights with the intention of securing said player for their Local Association or Direct Entry, then such violation will leave the Local Association or Direct Entry open to a fine of up to \$1000.
- e. In addition to or in place of any suspension authorized by this section RP1.7, any person or organization violating any of the provisions of section RP1.7 may be subject to fine or other sanction as determined appropriate by the Technical Committee.

RP1.8 Advancing to a Higher Series

- a. A player registered with a team in any series 22U or below shall be allowed to advance to a higher series of their own Local Association without affecting their status in the series and classification of the team with which they are registered. Any player, who advances, must play with their original team when the team they advance to and the team they are registered with have games on the same date. Where the original (rostered) team is competing in a weekend tournament, the player shall not be eligible to be used as a call up to the team they are advancing to until their original (rostered) team is eliminated from competition in their tournament. (**Note:** Any team knowingly postponing a game so that a player may advance will be suspended from the Rep Provincial Championships.) (Local Association shall be interpreted as the Local Association with which the player is registered.)
- b. In advancing under RP1.8 a), a player may only advance as follows:
 - i. A 9U (including 8U) player may only advance to 11U.
 - ii. A 11U (including 10U) may advance only to 13U.

 - iv. A 15U(including 14U) may advance only to 18U.
 - v. Players who turn 16 years of age in the calendar year may only advance to 22U.
- c. For the 15U and 18U National Qualifiers only, OBA teams may call players across from other teams within their Local Association at the same age category, so long as that team is not also playing in the National Qualifier (e.g., an 18U team may call a player to their National Qualifier team from their 17U team (i.e. an 18U team of all 17U aged players), or their 18U A team). For greater clarity, a player may only play for one team in any one National Qualifier tournament.
- d. Where a Local Association has more than one team at a series, players that are on the lower classified team may be “called up” to the higher classified team. Where a Local Association has both a Select Division team(s) and a Rep team(s) at a series, players from the Select Division team(s) may be called up to the Rep team(s), provided the players comply with the residency rules and are the proper age.
- e. Where a player of a younger age is rostered with a team at an older age category (e.g., A 13U aged player is rostered on a 15U roster), such player shall be considered as a player of the older series at which he/she is rostered despite being of younger age and shall not be eligible to play with the younger team.

- f. Where a team wishes to use a call up player from a team that has been eliminated from any further competition during a tournament or a Rep Provincial Championship tournament or a Rep National Qualifier tournament being held the same weekend, must have either the pitch count records or copies of the official game sheets for all games involving the call-up player. Any player, for whom the pitching eligibility cannot be confirmed, shall not be eligible to pitch.
- g. Once discovered, the penalty for violating any provision of RP1.8 shall be forfeiture by the team to which the player advances. The Series Chair shall determine what other appropriate steps will be taken in the circumstances. The Series Chair's decision is final and is not appealable.

RP1.9 Player Registration

- a. Each year, Local Associations will register their players and teams with the OBA through an online registration platform in accordance with policies and procedures determined by the OBA. The OBA will publish such policies and procedures on its website. By virtue of submitting a roster, the Local Association accepts responsibility for the authenticity of the information contained on the roster.
- b. The process may commence by a date determined by Rep Council which shall be no later than October 1st annually.
- c. Teams must submit a preliminary roster to the OBA Office through the OBA online registration platform no later than April 28th annually or five business days prior to the team's first game, whichever is later. - g. At 19U Women's, Senior Women's, and Senior, no changes to players on a roster may be made after June 30th without the consent of the OBA Rep Registrar.

 - j. Teams with rosters not meeting the requirements of player registration and coach certification are not eligible to participate in Rep Provincial Championships and/or Rep National Qualifier Tournaments.
 - k. No player may participate in a Rep tournament or Rep Provincial Championship without their name on a team roster. If a player, who is not officially on the team roster or on the roster of a team from which the team may call up players, participates in a game, once it is discovered, the Head Coach will receive a 10-game suspension. The suspension is not appealable.
 - l. Subject to Baseball Canada eligibility rules, Senior teams attending Baseball Canada Men's Nationals may add Intercounty Baseball League players as call-ups to their roster for Nationals.

All applications for reinstatement must be accompanied by a letter from the Office of the President of the MiLB or a copy of the release from the applicable professional organization.

- b. Any player signed by an independent professional league or club who has received his/her unconditional release or has been placed on the voluntary retired list by said independent professional club who provides a written statement advising that they no longer play in that league before June 30th of the playing season shall become eligible for reinstatement to play in the OBA immediately when he/she returns to his/her home city or town, or to the team he/she left to turn professional or he/she may play with any other team providing he/she qualifies under the residence rule.
- c. A player shall be considered to have turned professional when he/she plays his/her first game, either exhibition or league, with a professional club.
- d. The release, voluntary retirement confirmation or written statement must accompany any application for reinstatement.

RP1.12 Eligibility

- a. Players are not eligible to register with the OBA for the then current playing season if they have registered with a non-recognized baseball program operating in the Province of Ontario for any part of such playing season. Players registered with the OBA for the then current playing season who register with a non-recognized baseball program shall be subject to suspension in accordance with section RP7.1.
- b. Individual players may participate with a non-recognized program outside of the province if they secure letters of permission from: (1) Rep Head Coach, (2) Local Association Executive, and (3) Affiliate Association Executive; allowing them to play with a specified team or organization. (All letters and information shall be forwarded to the OBA through the Affiliated Association). A player participating with a non-recognized program outside of the province without these approvals shall be automatically suspended indefinitely. Any further penalty shall be determined by the OBA Rep Council.
- c. Head Coaches, Assistant Coaches, managers, Rep Council members, Local Association and Affiliated Association Board Members shall immediately disqualify themselves for participation within OBA's Rep Division, its Affiliated Associations

and Local Associations, if they are directly involved in any way with a non-recognized baseball program within the Province of Ontario.

- d. OBA-carded umpires are not permitted to umpire non-recognized baseball program games. For clarity, umpires are always permitted to umpire any game that involves at least one OBA program. Umpires who violate this rule are subject to immediate and indefinite suspension, pending review.
- e. Teams from non-recognized programs may not enter an OBA-sanctioned tournament.
- f. For the purpose of this section, the following terms shall have the following meanings:
 - i. “non-recognized baseball program” shall mean any baseball program other than (1) a baseball program operated exclusively by the OBA, its Affiliated Associations, and its Local Associations, (2) a high school, college or university baseball program, (3) a baseball program operated exclusively by an associated member of the OBA, (4) a baseball program recognized by the Rep Council, or (5) a baseball program operated by an HP Independent Program in accordance with Section RP2.13

 - i. the Local Association in whose territory the player lives, or
 - ii. the Local Association with which the player was last rostered.
In the case of a player participating with an HP Independent Program, in addition to the above, the Rep team with which the player signs must be classified at AA or below. Despite Section RP1.8 d. and e., a player with an HP Independent Program rostered on a Rep team AA or below may not be used as a call up to a Rep AAA team or an HP-OBA team. To be eligible to participate in a Rep Play-off, a player participating with an HP Independent Program must have participated in 60% of the team’s league games. If they have not, then the player is ineligible to participate in the Rep Play-off. OBA will enforce this rule on the basis of a challenge to a player’s eligibility and not proactively. If there is a challenge, the team will need to provide evidence

of the player's eligibility. Teams may apply to the Rep Commissioner for an exemption from the 60% requirement for extenuating circumstances (e.g. injury). The Rep Commissioner, in consultation with the Rep Deputy Commissioner, shall rule on the exemption request. Such determination is final.

- h. If the player is not signed by such Local Association, then he/she shall not be entitled to sign with another Local Association.

iii. **Timelines:**

To take advantage of the no release requirement and early try-out opportunities for the following season, an HP-OBA Program must:

- i. declare their intention to register as an HP-OBA Program for the following season by May 1 annually, otherwise the release requirements of RP1.5 would apply;
- ii. not engage in recruitment or hold try-outs prior to:

RP1.14 High Performance Provincial Championship

A High Performance Provincial Championship may be created in the future provided that the details of such a High Performance Provincial Championship are brought to the Rep Members for approval. Any such proposal would allow any HP-OBA Program or HP-Independent Program to participate if they meet requirements approved by the Rep

Members (and would be operated in such a way as to not prevent HP-OBA Programs from also competing in the Rep Play-offs for their age category). A proposal shall address requirements for rostering, insurance, and arm care in order to participate.

RP1.15 Elite Baseball League of Ontario (EBLO)

The OBA has established the Elite Baseball League of Ontario (EBLO) so that OBA players may compete at the highest level at their respective age levels. The vision for the EBLO is to offer as competitive a Rep league as possible.

All OBA Rep rules and procedural requirements will be followed except as outlined below:

a. Participating Affiliated Associations

- i. Any Affiliated Association desiring to participate in the EBLO is required to advise the Baseball Ontario Office and the EBLO Chair of its intent by July 1st. Such Affiliated Association shall continue to be a Participating Affiliated Association until it files a notice under clause RP1.15 (i)(b).
- ii. Any Affiliated Association that wishes to withdraw from the EBLO is required to advise the Baseball Ontario Office and the EBLO Chair by July 1st.

b. EBLO Structure

- i. The Rep Commissioner, subject to Rep Council approval, will appoint an EBLO Chair. The EBLO Chair shall oversee EBLO operations.
- ii. The EBLO Steering Committee shall be comprised of the EBLO Chair plus other 5 members. Every 3 years, the number of teams entered in the EBLO by the Participating Affiliated Associations will be reviewed and the 4 with the most teams having been entered will each be entitled to one member on the EBLO Steering Committee. These Participating Affiliated Associations shall provide the name of their representative to the Baseball Ontario Office by October 25th of each year. As of November 2020, the 4 are currently TBA, COBA, EOBA and YSBA. The next review will take place for November 2023. The 5th spot will be elected by the Participating Affiliated Associations and Participating Associations. Nominations for this spot are due to the Baseball Ontario Office by October 25th of each year. Should one of the 4 Participating Affiliated Associations entitled to a member not identify their representative by October 25th, then that spot shall be declared vacant and shall be filled by election from among those nominated for the 5th spot on the EBLO Steering Committee. The EBLO Steering Committee shall be entitled to fill a vacancy on the EBLO Steering Committee arising during the year. Each

member of the EBLO Steering Committee shall have one vote; provided, however, that the EBLO Chair shall only vote in the event of a tie.

- iii. Except as reserved to the Participating Associations in this section RP1.14, the EBLO Steering Committee shall be authorized to make decisions in the best interests of the EBLO and its Participating Associations and consistent with the vision for the EBLO and the OBA Procedures and Playing Rules and the Rep Division Procedures and Playing Rules.
- iv. Participating Affiliated Associations, which participated in the EBLO the previous season, shall be entitled to one vote. A Participating Affiliated Association, which did not participate in the EBLO the previous season, shall not be entitled to a vote.
- v. Participating Associations, which participated in the EBLO the previous season, shall be entitled to one-third of a vote for each Elite team that the Participating Association has entered into the EBLO during the previous three seasons. The voting total for the Participating Association shall be rounded to the nearest whole number of votes. A Participating Association, which did not participate in the EBLO the previous season, shall not be entitled to any votes.
- vi. The elected member(s) of the Steering Committee shall be elected at an EBLO meeting to be held during the last week of November each year.

c. Entering Teams

- i. Any Local Association located within a Participating Affiliated Association or a Participating Affiliated Association on its own behalf (a “Participating Association”) may enter Elite teams at the 14U, 15U, 16U, and 18U age level. An Affiliated Association is entering a team on its own behalf if it has created and is operating the team itself at the Affiliated Association level and is not merely approving a roster of a Local Association.
- ii. The Participating Association must register the Elite teams to be entered with the Baseball Ontario Office and the EBLO Chair by July 1st for the following playing year. The registration of Elite team(s) by a Local Association requires the consent of the applicable Affiliated Association. If the Affiliated Association rejects the registration of its Local Association’s Elite team(s), the Local Association may appeal to the EBLO Steering Committee.
- iii. In order for a Participating Association to register an Elite team at 16U, the Participating Association must have an Elite team at either (i) 14U or 15U or (ii) 18U or both. In order for a Participating Association to register an Elite team at 18U, the Participating Association must have an Elite team at either

- (i) 14U or 15U or (ii) 16U or both. A Participating Association may register an Elite team at 14U or 15U without having an Elite team at either 16U or 18U.
- iv. The EBLO Steering Committee is permitted to review and rule on requests for exceptions to the program policy as may be requested by a Local Association.
 - v. Each Elite team shall post with Baseball Ontario a performance bond in an amount determined by the EBLO Steering Committee from time to time. The performance bond may be called upon should the Elite team fail to comply with its obligations under the EBLO's benchmarks, guidelines and playing rules.

d. Tryouts and Releases

- i. There will be 14U, 15U, 16U and 18U teams, with 14U, 15U, 16U and 18U aged players, participating in the EBLO.
- ii. Tryouts for these Elite teams, which are not HP-OBA Program teams, may start as early as July 1st and must be completed no later than the second Sunday in September. Try-outs for Elite teams which are HP-OBA Program teams are governed by the provisions of Section RP1.13.
- iii. The respective Elite teams will determine the number of players on their team within the guidelines as outlined in the Procedures and Playing Rules of the Rep Division. It is recommended that Elite teams have at least 14 players on their roster.
- iv. Except as set forth in clauses RP1.15 iv) e) and f), any player signed by an Elite team, which is not an HP-OBA Program team, will be deemed to have a Local Association, and where required an Affiliated Association, release as long as the applicable Affiliated Association has agreed to participate in the EBLO. Releases for the Elite teams which are HP-OBA Program teams are governed by the provisions of Section RP1.13.
- v. A 15U team, which is not an HP-OBA Program team, which proposes to sign more than 2 14U-aged players to its roster, and all players intending sign with such team are not entitled to rely upon RP1.15 iv) d) and will require a Local Association and, where required, an Affiliated Association release. To be clear a 15U team, which is not an HP-OBA Program team, may have more than 2 14U-aged players if it complies with this clause RP1.15 e).
- vi. A player requesting to be signed by an Elite team, which is not an HP-OBA Program team, after the second Sunday in September will require a Local Association and, where required, an Affiliated Association release. If the

requested release is denied, the Rep release appeal process set out in RP1.6 is available.

- vii. It is understood that the playing rights of a player, who tries out for one or more Elite team(s) and is not selected, will remain where they were as determined by section RP1.5 b) of the Procedures and Playing Rules of the Rep Division.
- viii. Each Elite team, which is not an HP-OBA Program team, will forward their roster to the Baseball Ontario Office no later than the Wednesday following the second Sunday in September. The Elite team will copy its Affiliated Association on the submission of its roster to the Baseball Ontario Office. Roster dates for Elite teams which are HP-OBA Program teams are governed by Section RP1.13.
- ix. All managers, coaches and assistant coaches must have obtained the coaching certificate level to be eligible to participate at the Rep National Qualifiers for the age category. In the case of 14U Elite teams, the 15U Rep National Qualifiers shall be the applicable requirement. In the case of 16U Elite teams, the 18U Rep National Qualifiers shall be the applicable requirement.
- x. Any players, Head Coaches, Assistant Coaches or managers that participate in non-recognized programs are not eligible to participate in the EBLO.

e. League Play

- i. There must be a minimum of six teams at a series to form an EBLO League for the respective age group.
- ii. The EBLO shall schedule a meeting of Participating Affiliated Associations and Participating Associations in the spring to establish benchmarks, guidelines and playing rules for the subsequent playing season (e.g., a meeting in the spring of 2021 would establish benchmarks, guidelines and playing rules for the 2022 season). At such meeting, each Participating Affiliated Association and Participating Association shall have the votes set out in clauses RP1.15 ii) d) and e).
- iii. The benchmarks, guidelines and playing rules established must be consistent with the vision for the EBLO and the OBA Procedures and Playing Rules and the Rep Division Procedures and Playing Rules. If the EBLO desires to enact a benchmark, guideline or playing rule inconsistent with the Rep Division Procedures and Playing Rules, then the EBLO requires the approval of Rep Council to enact such provision.

- iv. In June of each year, the EBLO shall host an information meeting to present the benchmarks, guidelines and playing rules established at the spring meeting to prospective Elite teams interested in participating in the EBLO in the subsequent season.
- v. EBLO shall charge Elite teams a marketing fee established by Baseball Ontario's Board of Management and Rep Council in consultation with the EBLO Steering Committee.
- vi. All Elite teams will be classified as AAA.
- vii. Notwithstanding clause RP3 k), at least one Level III umpire shall be assigned to each EBLO game. (The preference is that all umpires assigned to EBLO games be at least Level III.) If the home team is unable to arrange for the assignment of at least one Level III umpire, then the Head Coach of the home team must notify the Head Coach of the visiting team of the situation at least 48 hours in advance of the scheduled start of the game. The Head Coach of the visiting team shall have the option of either playing the game or postponing the game.

RP2 - Special Playing Rules

The Official Rules of Baseball shall govern all games except as provided in the playing rules below. **NOTE:** Where there is a change made to The Official Rules of Baseball, the change shall not take effect until the Rep Council approves the application of the change.

RP2.1 Uniforms & Equipment

- a. In all games in all Rep series, all team personnel, including the Head Coach, Assistant Coaches and manager, must be in complete baseball uniform. Note: A Complete baseball uniform shall consist of:
 - i. corresponding tops or jerseys (with proper numbers)
 - ii. corresponding (similar) baseball caps
 - iii. baseball pants (no shorts)
 - iv. corresponding stirrup or baseball socks
- b. Provided the teams are completely uniformed the uniformity as laid down by the Official Playing Rules of Baseball will be disregarded and no protest will be considered by the OBA after the game has been played.

- c. The on-deck batter, batter, base runners, and batboy/batgirl must wear a prescribed protective helmet with flaps, covering both ears. Chinstraps and C-Flaps may be worn at the players' discretion but are not required at any age category. Senior aged players shall be permitted to wear either single ear or double ear flapped helmets in Senior OBA play.
- d. In T-Ball, 8U, 9U, 10U, 11U, 12U, and 13U and 16U Girls shoes with metal cleats are prohibited.
Beginning 2026: at 13U and below, shoes with metal cleats are prohibited.
- e. All catchers are required to wear a mask with a throat protector, a helmet, chest protector, shin guards, and protective cup.
- f. Any team member serving as a catcher to warm up a pitcher shall wear a mask with a throat protector. **Penalty:** Coaches and players will be instructed to wear a mask and warned on first offense for failure to comply with this rule. Only one warning per team will be given throughout the game. After warning, any further violation of this rule by any team member will result in their immediate ejection.
- g. A team member shall be deemed as "warming up a pitcher" the moment either:
 - i. The pitcher stands on the rubber (on the field or in the bullpen)
 - ii. the team member assumes a squatting position to receive a thrown ball from the pitcher, regardless of their position on the field or bullpen; or
 - iii. The team member assumes a position (whether standing, kneeling, or squatting) behind home plate.
- h. Players, Head Coaches, Assistant Coaches or managers who use electronic devices on the field will be ordered by the umpire to remove them from the field immediately. Failure to do so will result in ejection. Umpires who use electronic devices on the field during the game are subject to suspension and potential loss of accreditation. Fitbits, FuelBands, and other fitness trackers are considered electronic devices for the purposes of this rule and are not permitted except where required for medical reasons (i.e.: heart rate monitor prescribed by a physician).
Exception: Dedicated watches, stopwatches and electronic pitch counters/indicators are permitted.
- i. Commercial electronic pitch communication systems (ie: PitchCom) are permitted at all Rep play. They are not considered electronic devices for the purposes of RP2.5(h).
- j. All players, including pitchers, are permitted to wear compression sleeves on one or both arms. If only wearing one, it may be worn on either the pitching or glove arm. A compression sleeve extending only to the elbow shall have the same restrictions as

a compression sleeve extending to the wrist. Pitchers must wear compression sleeves which are solid in colour and may not be white or grey. Pitchers may not wear compression sleeves which are distracting in nature including designs and reflective material.

- k. Except the pitcher, players may wear a playbook arm band on their arm or attached to their belt. Pitchers must remove these bands prior to taking the mound.
- l. With the exception of piping (strings), no part of the pitcher's glove may be white or grey. The pitcher's glove may not, in the judgement of the umpire, be distracting in any manner. No fielder, regardless of position may use a fielding glove that, in the judgement of the umpire, mimics, or attempts to mimic the colour of a baseball.

RP2.2 Game Length

- a. All games in a Rep Play-off or National Qualifier Tournament shall be 7 complete innings (6 1/2 complete innings if the home team is ahead), or until a winner is declared.
- b. A 7-inning game will be considered an official game after 4 innings of play or 3-1/2 innings if the the home team is ahead. **Exception:** Rep Provincial Championship or National Qualifier Tournaments must be played to completion; see RP2.2(a).
- c. In tournament play if a game is delayed due to curfew, darkness, light failure, or weather-related conditions at any point prior to completion, the game shall be resumed from the point of delay.
- d. In the case of bad weather or other emergency situations, the schedule may be revised at the discretion of the Tournament Committee.
- e. In home and home style Rep Play-off games called due to curfew, darkness, light failure, or weather-related conditions after becoming an official game shall be declared a complete and official game even if less than 7 innings were. If the game is called prior to becoming an official game, then it is resumed from the point of delay.
- f. Except at 10U/11U, time limits are not permitted in any Rep Play-off or National Qualifier games.
- g. In Rep Open or Invitational Tournaments when a time limit or curfew is in effect in the tournament rules, it shall be interpreted as follows: No new inning may be started after the time limit or curfew. An inning shall be deemed to have started immediately after the last out in the bottom of the previous inning has occurred.
- h. In all OBA Rep games, the following mercy rule will apply:

- i. 18 runs after 3 innings
- ii. 15 runs after 4 innings
- iii. 10 runs after 5 innings or any subsequent inning thereafter.

NOTE: If the home team leads after the top half of any such inning, the game shall be considered a mercy and the home team will not bat.

- i. Where the home team scores to take the lead in the 7th inning, any extra inning or any inning that will be the last inning because of a time limit, the game ends immediately. Similarly, if the home team scores a run that results in a mercy pursuant to g), the game ends immediately with that run.

RP2.3 Line-Up Rules

- a. Each Head Coach will see that the umpire-in-chief is provided with a batting order card listing the batting order of his/her players for the commencement of the game. This card shall list (i.e., print legibly) each player's first and last name, their uniform number and position. It shall also list the substitute players, Head Coaches, Assistant coaches and manager including their uniform number. Bona fide players of either team, who arrive after the commencement of the game, may have their names added to the list upon reporting to the umpire-in-chief.
- b. In 8U, 9U, 10U and 11U games, all players present at the game shall be listed on the team's batting line-up in the order desired by the Head Coach and bat in that late arrivals shall be added to the bottom of this batting order.
- c. In 10U and 11U games, if a player is removed from the game due to injury, illness or official ejection, the player's spot in the batting order shall be deleted. In the event a batter must be removed due to injury, official ejection, or has to leave for any reason during the time at bat, the next batter in the batting order shall come to bat assuming the balls and strikes count at the time the batter is removed. If the batter becomes an out, such batter shall then take their regular turn at bat.
- d. **Extra Player Rule:** In 12U, 13U, 14U and 15U, teams may opt to utilize 10 batters in the starting line-up. The additional batter shall be deemed as the Extra Player (EP). The following rules for the EP shall apply:
 - i. The option to use the EP must be declared when handing in the line-up card prior to the start of the game.
 - ii. The EP may bat in any place in the batting order.
 - iii. The EP will be considered a defensive position and eligible for re-entry.

- iv. If a team using the EP has any players ejected or injured and it results in the team having less than 10 players in the line-up the game shall continue with 9 players. The batting order will be shifted up to fill the void but otherwise remains the same.

Note: If the player starting in the EP is moved into a defensive position his place in the batting order does not change. The new EP will bat in the place of the player they replaced.

- e. At 16U and 18U, a team may use either an EP or a designated hitter, but the team may not use both an EP and a designated hitter in the same game. For clarity, a team may also choose not to use either an EP or a designated hitter.
- f. A designated hitter may be used for a pitcher from 16U to Senior as per the Official Rules of Baseball.
- g. For tournament play the Tournament Convenor shall appoint an official scorer for each game (who may be the scorer of one of the teams playing). For all home and home style OBA Play-off games the home team score keeper shall be the official score keeper.
- h. Senior AAA teams are permitted to mutually affiliate themselves with any one 22U team within their Affiliated Association as long as their Local Association does not have a 22U team.
- i. If the Baseball Canada 22U Nationals are hosted by an Ontario team – the players on the 22U host team are only permitted to be called up to a Senior team during National Qualifiers as long as they are a member of the same local association.
- j. Senior AAA teams are permitted a maximum of 5 22U-aged call-ups for National Qualifiers.
- k. At 16U and above, in the event the starting pitcher will bat for themselves as the DH, the player will be considered two separate people for the purposes of OBR 5.11(a). In such cases, the Head Coach should list 10 players on the line-up card and this player should be listed twice – once as the starting pitcher and once as the Designated Hitter. Thus, if the starting pitcher is replaced, they can continue as the DH (but can no longer pitch in the game), and if the DH is replaced, they can continue as the pitcher (but can no longer hit for themselves). If the player is simultaneously replaced both as the starting pitcher and the DH, they cannot be replaced by another two-way player filling both roles; they must be replaced by two separate players.
- l. Notwithstanding anything to the contrary in OBR 5.11(a), if the starting pitcher/DH is switched to a position on defense instead of DH, such move will terminate the DH role for the remainder of the game.

- m. At Senior AAA, all teams are required to use Game Changer to score all regular season, tournament and National Qualifier Tournament games.

RP2.4 Substitutions

- a. Except as required in RP2.10(c), in 10U and 11U games, unlimited substitutions defensively are allowed (including for injury or official ejection).
- b. From 12U to 18U and Senior Women, any starting player may be substituted for and returned to the game one time only. They must return to their original place in the batting order. Any further substitutions do not jeopardize the right of re-entry for the original/starting player. Any starting player returned to the game may pitch as long as they have not previously assumed the pitching position. A pinch runner or pinch hitter may be inserted for a pitcher, who was listed in the starting batting order, and the pitcher may return to pitch under this re-entry rule **only if** the player is re-entered immediately as a pitcher when his/her team takes the field defensively.
- c. At all levels, courtesy runners for the catcher or any other players are prohibited. Pinch runners may be substituted in accordance with the Official Rules of Baseball except where contravened herein.
- d. From 12U to 18U and Senior Women, in the event that all players have entered the game and an injury(s) occurs, the opposing Head Coach shall have the right of selecting any remaining player(s) as the replacement. **Note:** This rule does not apply to ejections from a game.
- e. If a player re-enters or enters the game illegally: offensively, this shall be considered as a batter hitting out of order; defensively, the proper player shall replace them.

RP2.5 Pitching Rules

See also: *Arm Care Rules in the OBA Playing Rules.*

- a. In 10U and 11U, the number of trips to the mound by the Head Coach shall be limited to 3 trips per inning except when, in the judgement of the umpire, the purpose of the trip is to delay the game.
- b. In 12U and 13U, a third trip by the Head Coach to the same pitcher in the same inning shall result in the pitcher's automatic removal from the pitching position.
- c. Except at Senior, a pitcher once removed from the pitching position, regardless of the number of trips to the mound by the Head Coach, may continue in the game at another position but shall not be permitted to return to pitch in that game.

Exception: Where re-entry rules apply, pitchers who are substituted for offensively by either a pinch runner or pinch hitter may return to pitch in the next defensive inning so long as no other player has pitched for that team.

- d. From 14U to Senior, a second trip by a Head Coach to the same pitcher in the same inning shall result in the pitcher's automatic removal from the pitching position. The pitcher, once removed after the second trip in an inning may continue to play at another position but shall not be permitted to return to pitch in that game.
- e. When a pitcher takes their position at the beginning of each inning, or when they relieve another pitcher, they shall be permitted to pitch up to eight preparatory pitches to the catcher, during which play shall be suspended. The plate umpire may reduce this number if, in their judgement, there has been unnecessary delay by the pitcher and/or catcher. If a sudden emergency causes a pitcher to be summoned into the game without sufficient opportunity to warm up, the plate umpire shall allow them as many pitches as the plate umpire deems necessary.

RP2.6 Base Running Rules

- a. **Malicious Contact:** Malicious contact is to be penalized whether committed by an offensive or defensive player.
 - i. Contact shall be considered malicious if:
 - a. the contact is the result of intentional excessive force, and/or
 - b. there is an intent to injure.
 - ii. The umpire shall determine whether contact was avoidable or if the fielder blocks the base path, the runner may make contact, slide into or collide with the fielder as long as the runner is making a legitimate attempt to reach the base/plate.
 - iii. Runners are instructed to slide or attempt to avoid making contact with a fielder. A player who maliciously runs into another player is to be declared out (unless he/she has scored prior to committing the infraction) and is to be automatically ejected (whether or not declared out).
- b. If the defensive player blocked the base path clearly without possession of the ball, obstruction shall be called. The runner is safe, and a delayed dead ball is called.

RP2.7 Fielding Rules

- a. A fielder may not enter the dugout or bench area to make a legal catch. Any such ball shall be declared dead.
- b. Where a fielder carries a live ball into dead ball area, the ball shall be declared dead, and all runners shall be awarded 1 base without liability of being put out.

RP2.8 EXTRA-INNING RULES

At 22U and below, the following extra inning procedure will be followed when the game is tied at the end of regulation play for all Baseball Ontario Rep sanctioned tournaments, Rep Provincial Championships, and Rep National Qualifier Tournaments:

- a. Each team will begin the extra inning (and any subsequent necessary extra innings) with a player on second base only, no outs.
- b. The batter with the last full plate appearance in the previous inning will be placed at second base.
- c. The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.
- d. All other Official Baseball Rules and OBA rules remain in effect during extra innings.

Example: *If the last inning ends with the #6 batter having the last plate appearance, then the extra inning begins with the #7 batter at bat, and the #6 batter at second base. If however, the #6 batter was still at-bat when the inning ended, that batter would remain at bat in the extra inning and the #5 batter would be placed at second base to start the extra inning.*

RP2.9 Protests

- a. Protests based on umpires' judgment decisions will not be permitted. A protest based on an umpire's interpretation of the rules must be lodged with the umpire before the game resumes, and the opposing team must also be advised by the umpire before the game resumes.
- b. No protests will be entertained regarding coaches or managers being listed on a team roster. A coach or manager signed with one team in an organization may act as coach or manager for any other team in that organization.
- c. Tournament Style Rep Provincial Championships:

- i. A Protest Committee shall be established by the host Local Association.
 - ii. The Protest Committee has the right to rule whether a protest will be heard.
 - iii. All protests must be ruled on at the time of their occurrence by the Protest Committee.
 - iv. If the protest is heard and denied, the team will be billed \$50.
- d. Home and Home Style Rep Provincial Championships:
 - i. Protests are to be emailed to the Rep Protest Chair postmarked within 24 hours of the end of the game under protest. A protest fee of \$50.00 must be electronically transferred.
 - ii. The Protest Chair will obtain a copy of the Umpire's report regarding the incident.
 - iii. The Protest Chair will obtain written reports from each Head Coach regarding the incident.
 - iv. The Protest Chair, in consultation with the Rep Commissioner, will determine if there is reason for holding a protest meeting.
 - v. Should a protest meeting be deemed necessary, the Panel shall include the Series Chair, the Rep Commissioner, and the Protest Chair (Competition Chair).
 - vi. Results of the Protest Meeting will be delivered by the Protest Chair to the Rep Commissioner, both teams, the OBA Office, the Rep Series Chair, and the Rep Overall Series Chair.
- e. Once a protest has been dealt with by the OBA or a committee delegated to act in such matters by the OBA, any ruling handed down must be considered as final by the OBA. No further action will be taken.
- f. The Rep Protest Chair has the power in a home and home style OBA Play-off to appoint a committee to handle all protests which must be disposed of 5 days from the time the Rep Protest Chair receives the complete protest, etc.
- g. All correspondence regarding protests and defence of appeals must be forwarded by email.
- h. Even if it is held that the protested decision violated the rules, no replay of the game will be ordered unless in the opinion of the Rep Protest Chair the violation adversely affected the protesting team's chances of winning the game.

- i. Teams or players which knowingly play against ineligible players and do wilfully conceal this knowledge from the OBA until it shall suit their convenience to use it in any protest which may arise shall be considered equally guilty with the offending team or players and shall be dealt with accordingly.

Emergency Situations:

- j. In an emergency situation the protest will be dealt with by the Rep Series Chair in consultation with the Rep Protest Chair and the Rep Commissioner.

RP2.10 10U/11U Playing Rules

- a. Home base shall be marked by a five-sided slab of rubber. It shall be a 21-inch square with two of the corners removed so that the front edge is 21-inches wide, and the back of the plate comes to a point at the intersection of the lines extending from home base to first base and to third base.
- b. A team's turn at bat in an inning will end after three outs have been recorded or four runs have been scored. The last inning will have an eight-run maximum. On any play where the last allowed run in an inning is as a result of the ball leaving the playing field and the awarding of home base (ie: home run, overthrow, etc) results in more than the maximum runs allowed in an inning scoring, all awarded runs will score; this only applies to dead ball awards.

Ex. 1: Runners on 1st, 2nd and 3rd. 2 outs. 3 runs have already scored in the inning. The batter hits a groundball to the shortstop, who overthrows first base. The ball goes out of play. Because this is the first play by an infielder, all runners get awarded 2 bases from the time of pitch. 2 runs score for a total of 5 for the inning.

Ex. 2: Runners on 2nd and 3rd. 2 outs. 3 runs have already scored in the inning. The batter hits a ball in the gap between outfielders. Despite the fact that two runs would have scored easily, because the ball stayed in play, the inning ends when the runner from 3rd touches the plate. 1 run scores on the play for a total of 4 runs for the inning.

Ex. 3: Runners on 2nd and 3rd. 3 runs have already scored in the inning. The batter hits a ball down the left field line which rolls past an out of play line. Ball is dead. This is a 2-base award, so 2 runs score on this play, with a total of 5 for the inning.

- c. The following mercy rules shall apply at 10U/11U only:
 - i. 18 runs after 3 innings
 - ii. 15 runs after 4 innings
 - iii. 10 runs after 5 innings

- iv. 9 runs after 6 innings.

If the home team leads by mercy after the top half of any such inning, the game shall be considered a mercy and the home team will not bat.

- d. No new inning shall be permitted to start after 2 hours have elapsed from the start of the game. No time limit during the final championship game. Local tournament rules for regular season tournaments can impose a shorter time limit. In all Rep Play-off tournament games and all play-off round games of regular season tournaments must have a winner declared, so extra innings are to be played regardless of the time limit.
- e. A 10U/11U game ends when the time limit is reached and a full inning has been completed. If the time limit passes during an inning, such inning will be the last inning however it will not be treated as the last inning for the purposes of the 8-run maximum rule. If the top of a new inning is started within 15 minutes of the time limit, the umpire will declare that inning to be the last inning and the 8-run maximum will apply.
- f. A 10U/11U game ends at any time when a team is unable to score enough runs to win or tie the game based on the innings remaining in the game and the prescribed run limits per inning (RP2.10 (b), excluding runs allowed because of dead ball awards.
- g. In games where extra innings are required to determine a winner, the 8 run maximum will apply for all extra innings.
- h. Unlimited substitutions defensively are allowed (including for injury or official ejection).
- i. The number of trips to the mound by the Coach shall be limited to 3 trips per inning per pitcher.
- j. Base runners cannot leave the base until the ball leaves the pitcher's hand. If an infraction occurs, the ball will be declared dead, and runners may not advance. One warning will be issued and for any further infractions thereafter, the runner will be called out. (Each team to receive 1 warning).
- k. If a player is removed from the game due to injury, illness, or official ejection, the player's spot in the batting order shall be deleted. In the event a batter must be removed during their time at bat, the next batter in the batting order shall come to bat assuming the balls and strikes count at the time the batter is removed. If the batter becomes an out, such batter shall then take their regular turn at bat.

- l. If a runner is removed by reason of injury or official ejection from the game, the player last put out shall act as pinch runner for the removed player. By virtue of the rules there shall be no pinch runners allowed.
- m. The batter shall not become a runner when a third strike is not legally caught by the catcher. The ball remains live, and all other runners may advance at their own risk.

RP5 REP Provincial Championships

The rules in RP5 apply only to Rep Provincial Championships (OBA Championships, Qualifiers, and Playdowns)

RP5.1 Rep Provincial Championship Procedures

- a. The OBA shall conduct and assist the different Affiliated Association representatives to meet and play off to determine the OBA champions.
- b. The Rep Council shall annually set the fees for the OBA Rep Provincial Championships.
- c. Once Classifications have been finalized, failure to participate in the Rep Provincial Championships shall result in a fine equivalent to 1.5 times the amount of the Provincial CHampionship fee as determined by Rep Council annually.
- d. The Rep Council shall appoint a Series Chair to handle each series Rep Provincial Championships.
- e. In order to be eligible to participate in the Rep Provincial Championships, teams must represent a city, town or municipality within the boundaries of the Province of Ontario. Players must be bona fide and continuous residents of the province in accordance with the Rep Rules and Regulations.
- f. Whenever possible, the Rep Provincial Championships shall be a tournament. If no host is found by the July meeting of the Rep Council, then that series shall become a home and home style Rep Provincial Championship. Rep Provincial Championship Tournaments will be comprised of 1 team from each Affiliated Association, which has classified a team for such Rep Provincial Championship Tournament, plus a host team. At 22U and Senior, the AAA Provincial Championship shall be the Rep National Qualifier Tournament.
- g. Coaches must have a copy of their OBA approved roster with them in case it is required during the tournament.
- h. Barring extenuating circumstances, if 1 team is not able to start a game within 30 minutes of the scheduled starting time for such game, the game will be forfeited to

the other team and in tournament style Rep Provincial Championships, the offending team will not be allowed to continue in the tournament. The game will count as a game played and not count as a bye in the tournament and the published chart shall not be changed.

- i. Any team failing to play a game when ordered will automatically forfeit their right to continue in Rep Provincial Championships. This causes a \$500.00 fine to be assessed to the team forfeiting. A team that has been suspended shall have the right to appeal to the Rep Council for a hearing. All appeals must be accompanied with a fee of \$50.00.
- j. The Rep Tournament Chair shall provide, immediately, to the Affiliated Associations a listing of any and all disciplinary problems with Head Coaches, Assistant Coaches, managers, players or other team personnel, as reported by the Series Chair.
