Description of Liability Coverages

- **Participant Liability (Injury to Participants)**- Most General Liability policies include a Sports Participant Liability Exclusion, but in the broad form coverage with Markel, this coverage is included. This coverage protects the insured from claims arising from "bodily injury" and "property damage" in the event that an injured athletic participant files a lawsuit. This coverage also includes "Participant to Participant" Liability (Player versus Player) which protects the participant in the event that one player is sued by another player resulting from an injury.
- **Voluntary Medical Payments** - Reimburses others (third party) for their medical expenses if they are injured as a result of your activities up to \$2,500.
- **Tenants Legal Liability** - Provides coverage for your legal responsibility for damage to premises that you rent in the course of your activities up to \$1,000,000.
- **Non-Owned Automobile Coverage** - Indemnity to the Insured against the liability imposed by law upon the Insured for loss or damage arising from the use or operation of any automobile not owned in whole or in part by or licensed in the name of the Insured.
- **SEF – 94 – Legal Liability for Physical Damage to Non-Owned Automobiles** – provides physical damage coverage for vehicles that are rented/hired by the named insured.
- **Personal Injury** - Coverage against libel, slander.
- **Advertisers Liability** - Will protect the insured in the course of advertising your goods, products or services.
- **Cross Liability Clause** - This clause allows for additional insured's to sue, if necessary within the policy.
- **Employers Liability** - To protect the insured against the possibility of an employee suing for injury suffered in the course of their employment.
- **Premises, Property and Operations** - This provides coverage for the insured that is responsible in the scope of their operations against Bodily Injury and Property Damage claims for damages resulting from your negligence associated with owning or renting property and the day-to-day operations of your activities sanctioned by the OBA. Premises coverage does not extend to the operation of any indoor training facilities or clubhouses. Separate premises liability coverage would need to be purchased.
- **Products and Completed Operations** - This is simply a broader form of liability coverage normally associated with manufacturers and business.
- **Blanket Contractual** - This provides coverage for the insured when he/she signs a contract, which stipulates the legal responsibility of the insured.
- **Occurrence Basis Property Damage** - Again, this is just a broader type of coverage. Occurrence happens over a period of time, whereas, an accident wording is sudden and accidental.
- **Errors & Omissions (Wrongful Acts)** - This is an Errors & Omissions coverage which protects all registered members including Executives, Managers, Coaches, Officials, Employees, and Participants & Volunteers for compensatory damages as a result of their wrongful acts. The coverage responds to "civil proceedings" (statement of claim) and does not cover Human Rights or other Tribunal (non-civil proceeding issues). This coverage is automatically included for each member club. Errors & Omission does not cover against employment related issues.
- **Legal Defence Expense**- this is a type of insurance coverage that helps cover the costs associated with defending against legal claims. This can include attorney fees, court costs, and other related expenses incurred during the defense of a lawsuit or legal action.
